The New Series

Chevrolet

The only car at its price in Canada fitted with Electric Starter and Electric Lights.

A car that has everything you could desire—a car that has supreme beauty and finish, roomy, and as comfortable as cars of high price. But above all think of its enormous powerful motor. Valve in head, which insures even combustion giving ample speed and sufficient power to take all hills on high gear. It has three speeds forward—slow, medium and high, and one reverse. It has the cantilever springs and new upholstery on seats and back. The Chevrolet has ample road clearance, which makes it the choice car for country roads in Canada. All features looked for on high priced cars are found on the Chevrolet. Think of its great improvements, quality, and marvelous construction.

The Chevrolet is the only car at its price in Canada fitted up with all high price car equipments, therefore taking the lead of all other cars throughout the country. We sold eleven Chevrolet cars and have stood the test on the severest roads in history as well as any high priced car and better. The Chevrolet has many friends all over the country, and its enemies are the other concerns.

For inspection of our new car call at our foundry and we will demonstrate same to you, and for further information ask one who owns a Chevrolet.

Leave your order early in spring. We solicit your patronage

HERRGOTT BROS.

Items Of Interest.

W. Northgrave, a Port Elgin boy, has been promoted on the field of battle at one jump from private to lieutenant. The promotion was made for bravery and for his splendid example before the troops. \$250 for uniform and equipment were included with the promotion. Lieut. Northgrave is with the machine gun section.

A bill has been brought in in the Ontario Legislature for extending the franchise to every soldier fighting in the British Canadian or Allied forces, who was a resident of Ontario when the war broke out. The bill grants the vote irrespective of age or any present provision in the municipal or assessment acts.

A man at Winnipeg who robbed the Government of \$15,000 was let go on suspended sentence, while a man who stole a few bags of flour was given five years in penitentiary by the same judge. Both were thieves, but one was a favored thief, who operated with delicacy. Moral: When you steal join the "absconder" class rather than the "rough necks."

A snowbank was used by a thirsty citizen of Stratford as a depository for a bottle of whiskey. It made a complete refrigerator but when he pleaded to being under the influence of liquor and told the court that he had secured a "heel" of a bottle of liquor from a friend who was going through the city, later hiding it in the snow, he left himself open for another charge, that of having liquor in other than his private dwelling house. On the first charge he was fined \$10 and costs. On the second he also pleaded guilty and was fined \$200 and costs, or three months in jail. He is serving the time.

Got Government Job.

Mayor Andy Johnston has been appointed by the Ontario Government as issuer of automobile licences for Bruce County, and as there are about one thousand autos in the County Andy is to receive 25c commission on every licence he issues, he should be able to clean up about \$250 yearly on the job. Heretofore motorists have had to write direct to the Dept. at Toronto for their licences, but the appointing of an official in each county throughout the province to issue them, will enable car owners to conveniently obtain them in their own county. It is also planned to make each issuer of licences a special representative of the department who can be called upon for information of any kind regarding motoring and also attend to various local matter that crop up.

Ode to the Auto

My Auto 'tis of thee,
Short cut to poverty,
Of thee I chant.
I blew a pile of dough,
On you two years ago,
And now you refuse to go,
Or won't or can't.

Through town or countryside
You were my joy and pride,
A happy day,
I loved thy gaudy hue,
Thy nice white tires so new,
But now you're down and out for true
In every way.

To thee old rattlebox,
Came many bumps and knocks;
For thee I grieve.
Badly thy top is torn,
Frayed are thy seats and worn,
I paid for thee a price,
'Twould buy a mansion twice,
Now everyone is yelling "ice."
I wonder why?

Thy motor has the grip,
The spark plug has the pip,
And woe is thine.
I, too, have suffered chills,
Ague and kindred ills,
Endeavoring to pay my bills,
Since thou wert mine.

Gone is my bank roll now,
No more 'twould choke a cow,
As once before.
Yet if I had the mon,
So help me John-amen,
I'd buy myself another car
And speed some more.

Turn Backward.

Backward, turn backward, O Time in your flight, give me July again just for to-night; soften the ground where the frost king has lain, O let me hear one mosquito again. I am so weary of snow drifts and ice, weary of paying the coal trust in price; weary, so weary of frost bitten pie—give us a slice of the Fourth of July. Backward, swing backward, O season of snow—mercury fifteen or twenty below; turn on the heat of the tropical zone, roast me until I am cooked to the bone. I am so weary of freezing my nose; weary of chilblains and corns on my toes; weary of trying to sleep with cold feet—turn on the heat mister, turn on the heat.

A poor widow of Stamford recently wrote to King George telling him that she was ill and needed her son, who is with the Canadian forces on the Somme. She implored his majesty to send the boy home to her. A letter has been received from the king's secretary, asking that the matter be investigated, and if the facts are as stated the soldier will be sent back to his mother.

We read very little about the Zeppelin raids in England now. Winging them with anti air-craft, or Archibalds, as they have been nicknamed by the soldiers, has been a strong deterrent to those monster ships of the air sailing across the North Sea. And the bagging of subs and conveying steamships out of the danger zone by cruisers is minimizing the effect of the undersea raiders.

A Vegetable Garden for Every Home

IN this year of supreme effort Britain and her armies must have ample supplies of food, and Canada is the great source upon which they rely. Everyone with a few square feet of ground can contribute to victory by growing vegetables.

Four Patriotic Reasons for Growing Vegetables

1. It saves money that you would otherwise spend for vegetables.
2. It helps to lower the "High cost of living."
3. It helps to enlarge the urgently needed surplus of produce for export.
4. Growing your own vegetables saves labor of others whose effort is needed for other vital war work.

The Department of Agriculture will help you

The Ontario Department of Agriculture appeals to Horticultural Societies to devote at least one evening meeting to the subject of vegetable growing; manufacturers, labor unions, lodges, school boards, etc., are invited to actively encourage home gardening. Let the slogan for 1917 be, "A vegetable garden for every home."

Organizations are requested to arrange for instructive talks by practical gardeners on the subject of vegetable growing. In cases where it is impossible to secure suitable local speakers, the Department of Agriculture will, on request, send a suitable man.

The demand for speakers will be great. The number of available experts being limited, the Department urgently requests that arrangements for meetings be made at once; if local speakers cannot be secured, send applications promptly.

The Department suggests the formation of local organizations to stimulate the work by offering prizes for best vegetable gardens. It is prepared to assist in any possible way any organization that may be conducting a campaign for vegetable production on vacant lots. It will do so by sending speakers, or by supplying expert advice in the field.

To any one interested, the Department of Agriculture will send literature giving instructions about implements necessary and methods of preparing the ground and cultivating the crop. A plan of a vegetable garden indicating suitable crops to grow, best varieties and their arrangement in the garden, will be sent free of charge to any address.

Write for Poultry Bulletin

Hens are inexpensive to keep, and you will be highly repaid in fresh eggs. Write for free bulletin which tells how to keep hens. Address letters to "Vegetable Campaign," Department of Agriculture, Parliament Buildings, Toronto.
