

MOTHER SLAIN BY FOUR-YEAR-OLD

Shot Through the Heart—Terrible Fatality at Collingwood

[Canadian Press Despatch] COLLINGWOOD, June 16.—A mother was slain here Saturday night with a bullet fired in play by her four-year-old son, whom she had taught how to load and handle the rifle. The circumstances of the case as related by eye-witnesses, are so extraordinary, as to appear beyond precedent.

James Calback, his wife, a son aged four and a daughter aged two and a half years, lived with Calback's father in a small cottage owned by the latter in Albert street here. On Saturday evening the little boy complained of violent toothache. The father went into the town and bought a supply of remedial drops, which on his return to the cottage shortly before midnight, he administered to the child. The drops apparently mitigated, while not entirely relieving, the boy's suffering, and the father retired to bed, leaving the mother to sit up with the little patient, who was still in too much pain to go to sleep.

Knew How to Use Rifle Mrs. Calback has been in the habit of permitting her son to play with his father's rifle, and, according to the story, had taught him how to load the weapon, demonstrating the method with empty used cartridges. Apparently these empty cartridges were saved for his enjoyment.

When Calback went to bed, the boy was sitting beside a table in the living room of the cottage. On the table lay the rifle which he had learned how to handle. The child asked his mother for something to play with, and she brought a number of toys from a cupboard, among them a saucer filled with cartridges which she evidently believed to be empty. Subsequent investigation has revealed the fact that at least two of the cartridges were loaded with bullets.

The boy seems soon to have forgotten his toothache and became absorbed in his play, and his mother now that he was quiet and happy, seated herself in a rocking chair at the opposite side of the table. She had ceased for some time paying any attention to his actions when he

UNKNOWN MAN KILLED AT PARIS

An unknown man was instantly killed at Paris station this morning by being struck by train No. 1 on the Grand Trunk which passes through at 10:13. The body was picked up and carried into the baggage room, where the undertaker was called. In charge of the remains which are being held for identification.

The deceased was well dressed, wearing a navy blue suit, about 5'8" tall, weighing about 155 pounds, and appeared to be about 30 years of age. In his pocket was found a note with two Montreal addresses written in it. This is the only clue to his identification.

The First Baptist.

The services yesterday were well attended. The pastor preached in the morning on "The gospel a fact of a force." There were 350 in attendance at the Sunday School and the offering amounted to \$24.94. In the evening a large audience was present and thoroughly enjoyed the service of song arranged by Mr. Wright. The choir rendered two choice anthems, "One weedy solemn thought" and "The wicket." Miss Hutchinson sang in splendid voice "The Gloria." Mr. Verne O'Neill of Woodstock also sang "Consider and hear Me," with splendid effect. The hymns by the large congregation were heartily sung. The pastor preached a short sermon on "The Ministry of Sacred Song," emphasizing its devotional, consolatory and comforting ministry. Sister Errol Gamble, violin soloist, will assist the choir in the musical service next Sunday evening.

Cut Out Flowers.

TORONTO, June 16.—There is considerable interest taken in the action of Rev. E. E. Powell, rector of St. Barnabas church, who urged last evening his congregation to discontinue the practice of placing flowers on the graves of relatives and friends, suggesting instead that the flowers be brought to the church and used for the decoration of the altar. The Y.M.C.A. today expressed the opinion that this was a matter for each individual to settle for himself, and while not condemning the placing of flowers on graves, he thought that if any change were made in the custom flowers would do the most good taken to the hospitals. Rev. Father Minahan, priest in charge of St. Peter's Roman Catholic church, agreed with Mr. Powell's views.

Militant Was Kicked Unconscious By Mob

Attempts to Hold Meetings in Hyde Park Were Prevented, All the Women Being Rushed Out of the Grounds.

[Canadian Press Despatch]

LONDON, June 16.—The militant suffragettes were again roughly handled yesterday when they attempted to hold a meeting in Hyde Park.

The members of the Women's Social and Political Union raised their flags at four points in the park. The moment their flags were hoisted they became the storm centres of trouble. Each group was attacked and rushed out of the park.

A woman in one of the groups of Suffragettes fell and was unable to rise. The crowd believed she was shamming, and would have hurried her again, but for the fact that a party of sailors happened along at the time

and they formed a circle about the woman and kept the crowd back. The woman had to be lifted to her feet. Then she was unable to stand up and was carried out of the park. She had apparently been trampled upon or kicked. Her comrades were also badly treated, and were in a dishevelled condition when they escaped from the park.

Storm at Guelph

GUELPH, Ont., June 16.—In a terrific thunderstorm early this morning, the smoke stack on the Raymond Sewing Machine Works, was struck and a barn belonging to John Laird on the York road, was struck and completely destroyed by fire.

FORESTERS AT DIVINE WORSHIP

Attended Interesting Service at Colborne Street Church Yesterday.

Yesterday afternoon the local order of the Ancient Order of Foresters accompanied by the Knights of Sherwood Forest of Hamilton under Adj. Smith and Capt. A. R. Martin, High Court Junior Woodward and visiting brethren from the Amherstbury, Cayuga and St. George and the United Ladies band held their annual church service at Colborne Street Methodist church, when they were addressed by the pastor, Rev. J. L. Holm upon the three principles which underlie the success of the order: First, self-help; second, mutual help; third, Divine help.

Line of March.

The Foresters headed by the band lined up on Dalhousie street, opposite their lodge rooms. They turned off Dalhousie street, and marched up George to Darling, along Darling to Market, down Market to Colborne and down Colborne to the church. Returning to the lodge rooms they turned off Colborne street on to Park Avenue, and marched to Dalhousie street and up Dalhousie street to the lodge rooms.

The Service.

At the service the church choir led in the service of song. The choir rendered acceptably, "Save Me, O God," (Ashford), solo part taken by Miss Agnes Butler. Mrs. Leeming rendered in her usual good voice and manner, "Gloria" (Picca). During the offertory the band, excellently rendered "Nearer My God to Thee" with variations.

After the service at the lodge rooms Mayor Hartman, who is a member of the order, gave an address of welcome to the visiting brethren, to which Capt. Martin replied. Votes of thanks were tendered the Knights and the Hamilton and other visiting brethren.

Half of the offertory went to the Tuberculosis hospital.

RAILWAY WANTS IMMEDIATE RIGHT

Therefore Ex-Propriation Proceedings Are Launched in Court.

A motion was made this morning before His Honor Judge Hardy by Brewster and Heyd, solicitors for the Lake Erie and Northern Railway for an order for immediate possession of a right of way through the properties of Mr. M. F. Muir and Mr. Geo. Schultz, which are situated along the Ayla Road, but owing to his Honor being busy with other matters an adjournment was made until 4 o'clock this afternoon. If the order is granted the railway will pay into court a sum of money, which is fixed by the judge, to go ahead with the construction of the road. The amount put up is security that the company will pay whatever money the arbitrators fix. Mr. M. F. Muir is appearing for himself and Mr. Schultz.

Y.M.C.A. Camp.

The Y.M.C.A. young men's summer camp back of the Waterworks property on the banks of the Grand opened on Saturday when twenty young men from the association went up. It is expected that several more will join the campers. A cook has been engaged and the boys report that they already have had a royal time. Mr. G. H. Roper and family and Mr. Roy Sloan and chums are also camping there.

SILVER JUBILEE OF THE KAISER

Is Being Celebrated in Berlin With Great Ecstasy To-day—People Rejoice.

[Canadian Press Despatch]

BERLIN, June 16.—The twenty fifth anniversary of the ascension of the Emperor William to the imperial throne was celebrated to-day in Berlin and throughout the German Empire as a general holiday. The brilliance of the festivities and the enthusiasm displayed by the people, testified to the monarch's great personal popularity among all classes of his subjects.

The commemoration which had been deferred from its actual date of respect to the memory of the emperor's father Frederick, coincides with the forty second anniversary of the triumphal entry of his grandfather at the head of his victorious army after the Franco-Prussian war and was naturally marked by considerable military display. Emphasis however, also was laid on the peaceful aspects of the emperor's quarter century reign—industrial and civic developments and the material prosperity of the country.

To a delegation from the British church in Berlin received by his majesty this afternoon, the emperor said: "I can assure you I shall continue to do my best to preserve peace and promote the friendly relationships existing between our two countries."

The emperor responding to an address from the American peace societies, headed by Andrew Carnegie, congratulating His Majesty on the completion of his twenty-five years peaceful reign, said: "I hope we shall have twenty-five years more of peace."

The official Reichsbote leads off its special 'jubilee' issue with a glorification of the emperor's services to the cause of peace.

The day began with a "general reveille." The massed military bands from the division of the guards summoned the emperor to his window with deafening music, played in the inner courtyard of the castle.

The bandmen then paraded from the castle to the Brandenburg gate at the other end of Unter Der Linden, and back again, playing popular melodies and military marches. In the meantime 7,000 school children had replaced the bandmen in the castle courtyard, where they sang several songs to the evident pleasure of the emperor. The reception of deputations and the presentation of loyal addresses began at ten o'clock, but was interrupted from eleven o'clock till two o'clock by His Majesty's reception of representatives of the government officers, the army and the navy, the parliament and various municipalities.

The impressive ceremony of the mounting of the castle guard and the luncheon of the imperial family at the castle ensued.

The array of deputations seemed almost endless. The delegates represented organizations of every kind and all brought with them illuminated addresses while some of them conveyed handsome gifts to the emperor, despite his declaration that he did not wish money to be spent in this way but rather devoted to philanthropy.

The most imposing testimonials were the endowment of \$2,250,000 by the German municipalities for charitable and educational establishments and the national subscription of \$950,000 devoted to German Christian missions in which Catholics and Protestants participated, the Catholics paying \$625,000 and the Protestants \$325,000.

SALARY DEMAND MAKES TROUBLE

St. Luke's Congregation Do Not Want Mr. Alfred Hunt It is Said.

From the present outlook it does not appear as if there will be a great deal of headway made at the meeting of the vestry of St. Luke's mission church this evening at the mission.

There has been considerable trouble over the payment for the services of Mr. Alfred Hunt, who has been doing considerable work at St. Luke's church. Mr. Hunt desires to know his financial relations with the mission, and has been instrumental in having the vestry meeting this evening called.

Notice Posted

In accordance with the regulations of the Anglican church, a vestry meeting can be called when a request for such meeting is signed by six members of the vestry and presented to the wardens of the church or mission. The request was presented, but the wardens refused to call the meeting. Following the refusal, a notice was posted on the church door last Sunday to the effect that the meeting would be held this evening. The posting of the notice is the next course after the wardens refused to call the meeting. Rev. H. A. Wright, acting rector at St. Jude's and under whose charge St. Luke's church is, stated to a Courier reporter that the notice which was sent in to the wardens asking them to call a meeting was signed by a number of men who were not members of the vestry, therefore the wardens refused to call the meeting. He denies the statement that he refused to call a vestry meeting, and says he never was asked to call a meeting of the vestry, nor was any notice read during the services last Sunday calling such a meeting. Some irresponsible person placed the anonymous notice on the church door. He said that it is not expected that the members of the vestry will heed such an anonymous notice.

Galt Case

Gerrard Pleads Not Guilty to Charge of Stealing Watch.

GALT, Ont., June 16.—Pending the resumption of the inquest into the death of James Bruce, who was last Thursday found drowned in the Grand River, a new few developments in the case. This morning Melvin Gerrard, whom chief German arrested with a watch owned by the dead man in his possession, appeared before Magistrate Blake and after pleading not guilty to a charge of theft, was committed to jail Saturday evening when he was last seen alive. They will divulge no information but developments may be expected at any time. It is said the autopsy showed no water in the lungs, indicating that Bruce was first killed and then thrown into the river. Provincial Detective Green has been given charge of the case.

Expensive Work.

TORONTO, June 16.—It cost the Serpent River Logging Company just \$4,444.20 to clear a potato patch in the woods northwest of Massey, Ont. One of the camp managers set a man to work to do the clearing, and he employed fire, which got out of control and, cutting a swath through the woods, destroyed the camps of John Johnston, a lumber jobber, who lives at Orillia. This morning, on the application of J. T. Mulcahy, acting for Mr. Johnston, judgment was given against the Serpent River Logging Company for the amount named.

At the inquest on a fifteen-month-old child at Birmingham it was stated that the child in trying to get out of its cot got its head fixed in the iron work and was suffocated.

STORM WAS HEAVY ONE

AS FAR as can be learned, the electrical storm early this morning did nothing but good, although for an hour Brantford and vicinity were in the grip of electrical cross-currents shooting through the atmosphere close enough to be dangerous. A few telephone circuits and the alarm wires were burnt out, but so far as can be learned, the damage was of a minor nature. On the other hand, the rain will prove most beneficial to all kinds of produce. Over half an inch of rain fell during the shower.

Auto Accident

PETERBORO, Ont., June 16.—Because his companion lighted a match as he was investigating the cause of his car stopping, Robert Moher of Moher Bros. garage, in St. Joseph's hospital here, and he may lose the sight of both eyes. He was frightfully burned in the explosion of gasoline.

Six Feet Seven Inches Tall and Still Growing

Only Way Growth Can Be Stopped is to Remove Pituitary Gland at the Base of the Brain—Surgeons Astonished

[Canadian Press Despatch]

PHILADELPHIA, June 16.—The surgeons at the medico-chirurgical hospital in this city have been astounded at the case of John Michael, who is not yet fifteen years old and is six feet seven inches tall, and is still growing. The big boy is suffering from 'gigantism' which simply means that he is outgrowing everything and every organ of his body.

The boy came to the hospital about two months ago. The surgeons examined him and subjected him to all kinds of tests. Finally Dr. Judson Daland and Dr. Theodore Welsenberg, the brain and nerve specialists at the college, determined that the only way to stop his growth was to

remove the pituitary body which is located at the base of the brain and controls the growth of the body.

When first admitted to the hospital he was kept under observation for several weeks, while his growth in the institution was marked. One week, in spite of a rest treatment, when he was not allowed to even turn in bed, he grew an inch and a half. When he first went into the place he only measured six feet three inches, and when he came out he topped six feet seven inches.

Dr. Judson Daland, who has charge of the case as the senior physician at the hospital, sailed for Europe today, and upon his return the operation will be undertaken.

RECEIPTS WERE TREMENDOUS

American Sport Loving Public Took Great Fancy to Polo Matches.

[Canadian Press Despatch]

NEW YORK, June 16.—The gate receipts of the two games of the International polo cup series amounted to over \$200,000—a greater sum than has ever been taken in during two days of baseball in the world's series. The exact figures were \$95,000 at Tuesday's game and \$105,000 at the second contest on Saturday.

The expenses are understood to be about \$25,000, leaving a net profit of \$175,000. What the American Polo Association will do with the balance has not yet been determined. About 60,000 persons saw the two matches at prices ranging from \$25 for some of the boxes; \$2 for seats in the grand stand and fifty cents in the field.

Will Try Again.

NEW YORK, June 16.—The Duke of Westminster, who backed the English polo team on its trip to this country in the unsuccessful attempt to lift the Westchester Polo Cup, "has only just started his campaign to get the cup back to England." This is about as far as the English players here would commit themselves to-day as to the possibility of another challenge for the cup next year, but there seems to be the general opinion that in view of the close score by which the cup was defended last week, the Duke will not be content until he has seen the Englishmen try again.

Entries For Ottawa Races

[Canadian Press Despatch]

CONNAUGHT PARK, Ottawa, June 16.—Entries for June 17:

First race, purse \$500, 4-year-olds and up, selling, 1 mile and a furlong—Bud News 11, 93; Tom Hayward 122; Azo 108; Jack Laxon 102; Deiy 103; John Reardon 1100.

A Walker entry; b Campbell-McGibbon entry; c Kean-Meagher entry.

YOUNG LADY BADLY INJURED

Miss Marie Cahill Lost Arm on Grand Trunk Track Sunday Evening.

A serious accident, which may prove a fatal one, occurred in the Grand Trunk railway yards yesterday afternoon about 4:15 opposite the Brantford Roofing Company, when Miss Marie Cahill, who resides with her adopted father at 156 Albion St., was struck by a switch engine and had her right arm almost severed.

She was rushed to the hospital in the ambulance where her arm was amputated by Dr. Henwood. Her face was also badly lacerated, and she was badly shaken up.

The unfortunate girl was walking eastward along the track in company with Miss Ruby Schuler, daughter of Mr. J. Schuler. When opposite the Roofing Company they saw a freight train approaching them and Miss Cahill stepped off one track on to the other, and was struck by the switching engine, which she evidently was not aware was approaching from behind. She was knocked under the wheels, which almost severed her arm above the wrist. Amputation of the member above the elbow was deemed necessary. A Courier reporter phoned the hospital at one o'clock to-day, and the authorities there stated that she was doing as well as could be expected, and that they had hopes of her recovery.

Many friends will greatly regret to learn of Miss Cahill's misfortune. She had been getting along fine as stenographer and had only recently accepted a good position. The nature of the accident proves distressing to the girl's many friends in the North ward, all of whom will hope for her speedy recovery.

BRANTFORD GETS BIG SHOW FIRST

Hamiltonians Like Ferrati People Secured For Centennial Week.

Brantford will be the first city to get the Col. Francis Ferrati Show, the attraction being here July 5-12. The shows also appear in Hamilton in August, and the following from the Spectator will be of interest:

"John Lentoux, president; C. W. Cartwright, treasurer; C. Murton, secretary, and H. J. Waddie, of the Centennial committee, accompanied by Aldermen Ryan and Gleadow of the property committee, returned this morning from a trip to Buffalo, where they went to look over the Colonel Francis Ferrati's United Shows, which are exhibiting in that city this week under the auspices of the Buffalo Order of Moose. The visitors were well pleased with the attractions, which will be a feature of the Hamilton Centennial. Secretary Murton said this morning that the committee were the guests of Colonel Ferrati and his manager, Victor de Levitz, and that both of these gentlemen would come to Hamilton next week to select street locations for the shows.

"The Hamilton public will see one of the best shows in this country which ever visited Hamilton," said Mr. Murton.

Duchess Improves

NEW YORK, June 16.—A London cable says: The Duchess of Connaught has improved very much and now hopes to go to Bagshot Park very soon. Princess Patricia has consented to give her name to a farm settlement for educated women, which is now being started in the Okanagan valley, British Columbia, and in behalf of which a cafe concert is to be held in Grosvenor House on June 25. The farm is to be known as the Princess Patricia Farm.

Evidence All In

TORONTO, June 16.—Evidence in the case of Wm. Crawford and R. J. Leaman, charged with the forgery of a large number of admission tickets to the recent Laurier political rally in Toronto, was concluded in the police court this morning, and the police board this morning, and the argument will be heard on Wednesday.

AVIATOR MADE GREAT FLIGHT

Thousands of People Watched Airship in Brantford Saturday.

Hitting second base at a mile a minute clip and gliding over the ground at 30 miles an hour like an automobile. Aviator Hemstrought on Saturday night came down from the heavens and made a hole in the fence at Agricultural Park, knocking one of the helpers over, and all but crashing into an automobile. It was surely a spectacular flight, the first of the kind ever seen in Brantford, and when the aviator appears here Brantford Carnival week for daily ascensions there will surely be a big time in Brantford.

Hemstrought made two circles above or rather around the city. Brantford people say he crossed above the village, while the farmers beyond Transquility aver that had the birdman fallen, his machine would have hit their potato patch. All of which goes to show that Hemstrought must have been several thousand feet in the air, making the angle a difficult one to judge.

When he hit the fence at the park he broke some minor parts in front of his Curtiss machine, which prevented a second flight which Hemstrought intended to make. Although one of his assistants was knocked down, Hemstrought remarked to the fellow that "this was a bright one" for his inability to stop the machine. Had he stopped it there would have been an ambulance call right there and then.

When Hemstrought ascended those at the park thought he would surely hit the fence on the west side. He got a tremendous speed up running along the ground and barely twenty yards away lifted the plane shooting over the fence by inches. Then he went up. People in the park did not think he went over the river, but he was over Cainsville. Thousands of people watched the performance. He got away from the machine where seats were free on the river-side grand stand, it was a wonder.

When the aeroplane comes Carnival week in July, an opportunity will be afforded any one desirous of making a trip in the machine which carries two people, it is interesting to watch results.

HAMILTON IS NOT SIDE-TRACKED

But Brantford Gets Benefit of An Improved G. T. Train Service.

(Hamilton Spectator) It was announced this morning by Superintendent Gordon of the Grand Trunk that the story published in a local paper yesterday to the effect that the Montreal-to-Chicago express would pass Hamilton up entirely, the trains going right through from Toronto to Brantford, was incorrect.

"The only change that is being made," said Mr. Gordon, "is that the train is being split up into two sections, one running to Hamilton and the other going through to Brantford. At present the Montreal train reaches Toronto at 7:30 a.m. and leaves there for Hamilton at 8 a.m., reaching here at 9:05 a.m. The schedule will be changed so that, starting on June 22, a train will leave Toronto at 7:40 a.m., with a Hamilton sleeper and day coach and new equipment. This train will make no stops between Toronto, and Brantford other than the stop here, and will get the passengers in Brantford 25 minutes earlier.

The report that there would be changes in the time-table of the evening Montreal-to-Chicago express and eastbound trains to Buffalo is also incorrect, as there will be no changes whatever. Mention was also made of the old rumor about a new station being erected at the junction cut, so that the passengers could change there for other places, instead of having to come into the Stuart street station. Superintendent Gordon said that there had been no mention of such a station being erected. Three new trains will be operated on the Toronto-Hamilton line in the near future. A passenger train will leave here for Toronto at 12:40 noon, arriving in Toronto at 1:45 p.m. A new Muskoka express will leave here daily at 12:55 noon, arriving in Toronto at 1:58 p.m. A train will leave Toronto for Hamilton at 12:05 noon, and will arrive in this city at 1:20 p.m.
