Death F. C. Trimper.

A sad event occurred between the Davidson Lumber Co's Camp, No. 6 at Birch Lake and South Tremont, four miles distant, on the day before Christmas in the death by exposure of Mr. Fletcher Trimper of Clementsvale, Annapolis Co., aged 73 years.

He was the mechanical member of said camp for making ox-yokes, axe-handles and general repair work. For the purpose of moving his tools, etc., to the settlement he constructed a sled with which he made several short trips daily Wednesday and Thursday returning to the camp for the night, but Friday night he did not return and they naturally supposed that he had got to Tremont to take the train on Christmas at Kingston.

As he did not arrive home for Christmas, after waiting a few days, his son Harland Trimper came to learn the cause. After a few days search his tools were found a mile from the settlement and his body was found not far from the camp about a rod from the old log road which led to Tremont where he perished from cold and fatigue while returning to the camp for the night.

An inquest was held at Kingston on Jan. 4th, 1916, before the arrival of the west bound express.

Cornwallis L. O. L.

On January 3rd, P. C. M. A. A. Bligh of Brooklyn Corner assisted by Brothers A. Bishop, A. Meister, H. H. Bligh and Frank Harvey of Kentville Lodge conferred the fourth degree on ten of the new members of Cornwallis L. O. L., Port Williams and installed the officers. At the close the members by invitation repaired to the home of Brother George Gates where they enjoyed an oyster stew. This kindness on the part of Brother and Mrs. Gates was much appreciated. Mrs. Gates is a daughter of Brother George Fraser, our oldest member, who joined the order in Canning which became dormant over forty years ago. He carefully preserved his certificate now yellow with age—awaiting the time when there would be an opportunity of again becoming an active member of the order. Through all these years his interest in the cause has never flagged and through his efforts P. C. M. Bligh was able to arrange the visit of the Grand Organizer at Port Williams who was so hospitably entertained by Brother and Mrs. Gates.

This lodge is in a very flourishing condition. It is expected that several candidates will be initiated at a special meeting to be held on the 17th inst.
