An Ancient Foe

To health and happiness is Scrofula—so ugly as ever since time immemorial. It causes bunches in the neck, disfigures the skin, inflames the mucous membrane, wastes the muscles, weakens the bones, reduces the power of resistance to disease and the capacity for recovery, and develops into consumption.

"Two of my children had scrofula sores which kept growing deeper and kept them from going to school for three months. Ointments and medicines did no good until I began giving them Hood's Sarsaparilla. This medicine caused the sores to heal, and the children have shown no signs of scrofula since." J. W. McGraw, Woodstock, Ont.

Hood's Sarsaparilla

will rid you of it, radically and permanently, as it has rid thousands.
