LACROSSE

SECRETARY OF BRANTFORD CLUB AT MONTREAL.

Montreal, June 25.—Phil Errett, secretary of the Brantford Lacrosse Club, arrived in the city to-day to plead the cause of Brantford before the Canadian Amateur Athletic Union to-night in connection with the decision of the Minto Cup trustees that the Shamrocks need not defend the cup against the Brantfords, who were recently professionalized by the C. A. A. U. Errett will make an effort to get the Brantfords re-established in the amateur ranks. In the meantime there is trouble in the Shamrock Lacrosse Club, and a special meeting has been called for Monday by a large number of members for the purpose of censuring the directors for standing by the C. A. A. U. That section of the club would like to see the Shamrocks and Brantfords meet.

FOOTBALL

DARRELL WINS WALKER CUP.

Darrell and Sandwich played a tie game on Saturday, it being the last of the finals for the famous Walker trophy.

Darrell wins, pending the decision of the protest committee on Sandwich's protest of the goal scored by Darrell in the game a week ago Saturday. They claimed the ball was out of play when the goal was scored. The Darrell boys say that there was no kick or protest on the field and Captain Les Gregory says he did not receive notice of protest until Thursday, when he should have got it on the field the day of the game.

Saturday's exhibition of the association game was one of the best ever seen on Tecumseh Park.

The interruption by the shower didn't dampen the spirits of either side and the play was exciting right to the finish.

The first half neither side scored, and if either side had an advantage it was hard to tell which. Both goal tenders were kept quite busy and both did good work. The left wing of Sandwich team played some excellent combination. Several good chances to score were lost on both sides. French at full back for the Darrell boys put up a star game. His splendid and accurate kicking was a feature of the game.

Langford brothers, Cliff and George, worked down to the Sandwich territory several times but didn't seem to be able to put the ball through the stakes.

The second half opened with both teams at their best. Darrell seemed strongest and made many unsuccessful attempts to score before one of the Sandwich men fouled. Les Gregory made a splendid kick, Roy Abraham met it with his head and in it went.

The visitors from the Essex capital then changed around a bit, big Mat Williams going up to the forward line, when about five minutes before time after a severe scrimmage in front of the Darrell goal, the big skin sauntered in.

The few minutes left were fiercely fought indeed, Sandwich did their best to score again but couldn't.

The game ended 1 to 1.

NOTES OF THE GAME.

Darrell rooters were right there.

Well, the cup comes East again.

Harry French plays a good game in goal.

What will the decision of the protest committee be?

Referee McDonald seemed to give perfect satisfaction.

Williams, the Sandwich full back, is the best in the business.

The shower came up fast and you should have seen the skirts fly.

Had Sandwich won this series the cup would have been their own.

That same team with the Brady wing would make about the strongest aggregation in the country.

DIED IN CHICAGO

James Connor received the sad intelligence this morning of the death of his brother, Benjamin Connor, in Chicago, yesterday morning at 8.40 after a lingering illness of many months. Deceased was about 19 years of age and formerly lived here. Mrs. Connor, his mother, was at the bedside at the time of death. Frank and William, of Chicago, Ed and James, of this city, are brothers, while Mrs. W. N. Coyle, Grey street, and Miss Maude Connor, of this city, are sisters.

The remains are being brought to the city for interment. The funeral will likely be to-morrow.

PASSED AWAY

Henry Sterling, a well known and respected resident of Dover, passed away in St. Joseph's Hospital Saturday evening, from pneumonia. Deceased was 41 years of age and leaves a widow and a family to mourn his loss.

He had been ill for some time and was brought into St. Joseph's Hospital last Thursday.

The funeral will take place to-morrow morning from his late residence, W. H. Clements, Dover, to the Pine Court burying ground. The widow and family have the sympathy of the entire community in their sad affliction.

SATCHEL OF
THE SATELLITE

Good for Darrell!

Here's good luck to the Tecumsehs.

Darrell got the meat out of the Sandwich.

Manager Frank Babcock—Now, look out for us.

Whos, Ge, Haw, Back, Git Up! Darrell has won the Walker Cup!

Will Wallaceburg people know how to treat the soldiers. Most of them like shandys.

What would you think if you paid 10 cents for a Marguerite wrapper on a five cent cigar?

There are always a good many sells about a circus, but it isn't every circus that advertises its sells.

To Mayor of Wallaceburg—Expect us Friday, right side up with care. Signed, Soldiers of 24th Kent Regiment.

I wonder if Lord Dundonald will want to shake hands with Messrs. Pike and Sudman before he returns to Scotland.

You should never lose the opportunity of making a friend. Friends are useful. If you have friends, you know you have somebody you can lend your money to. I knew a man who never missed an opportunity of making an enemy. He finally died in the asylum.

NARROW ESCAPE

Walter Scane's gasoline launch "Christine" had a narrow escape from destruction by fire last night about ten o'clock.

Since the trip down the river when the engines gave way Walter has been rather worried about his launch. Last night he thought he would go down where the launch was moored near the Fifth street bridge and look her over. He found some water in her and so he got a pail and commenced to work bailing. He had not worked long before he struck a match to see if Walter had only been content to keep on working without getting anxious to see how much more work he had to do he would have been all right, but as soon as he lit the match the gasoline in the launch exploded and Walter made a hurried exit to the shore—not, however, before his hand was severely burned.

Will Coltart was in his canoe not far away and when he saw the sheet of flame and Walter's quick movement towards the shore he headed straight for the boat house and sent in the alarm. The fire hall. The firemen soon responded and put out the blaze with extinguishers before much damage was done to the launch. Walter is carrying his hand around in a bandage to-day.

EARLY SUNSET

On Saturday afternoon the remains of the late Alva Carpenter, the young son of Mr. and Mrs. J. W. Carpenter, of London, formerly of the Maple City, were reverently laid to rest in Maple Leaf cemetery.

The circumstances surrounding the lad's death are peculiarly sad. He was exceptionally bright, energetic and industrious and won a well deserved popularity and respect wherever he went. The illness preceding his demise extended over 12 weeks and the lad suffered with a fortitude and patience which were alike a lesson and an inspiration. When the news was finally broken to him that he could not recover, he sought to comfort his sorrowing parents and expressed hope and joy in the future.

The lad requested the choosing of his own pall bearers and selected the following former school friends in Chatham: Harry Goodland, Aubrey Little, George Holmes, Willie Houston, Harold Williamson and Garnet Slagle.

The funeral took place from the C. P. R. station here on the arrival of the noon train and was impressively conducted by Rev. T. Beverley Smith. Among the beautiful floral tributes were "Gates Ajar" from the employees of the Somerville Box factory, where deceased had been employed for 18 months; an anchor from the Bennett Furnishing Co., where his father was employed and a crown from the Cronyn Memorial church and Sunday school, of which deceased was a member.

HOME SCIENCE LECTURES

The committee in charge of the summer school for teachers have secured the services of Miss Ada Butchart, of the London Normal School, as instructor in Home Science. Miss Butchart conducted the Home Science Department last year at the London Summer School and is a most successful instructor. A room is to be fitted with every convenience for the successful conduct of the work. The Chatham Gas Company will provide the gas fixtures.

WARNING

All parties are hereby warned not to negotiate a certain promissory note for \$250, dated the 16th day of Nov., 1903, payable one year after its date and made by the undersigned, W. H. Clements. No consideration was given for said note, and there are other good defenses thereto.

ALEX. Y. JOHNSTON.
(Bridgely, June 27, 1904.)

made by the Canada Paint Co., the largest paint makers in Canada. We guarantee these absolutely pure. If you want but a 20c tin, phone us and we will deliver it to you promptly, or will send you a color card to select from, we want your trade.

Geo. Stephens & Co.

My Stomach "It feels so uncomfortable. Food distresses me. I get blue and despondent. My doctor says it's my stomach." And what did your doctor tell you to take? Ayer's Sarsaparilla.

THE RED CART

John Dittmar spent three hours on Saturday night painting his push cart a cardinal pink. John is very proud of his artistic job, but is now looking for pay for his labor. The laborer is worthy of his hire. If the Rev. Archibald sees him coming, however, there is liable to be some sidestepping and it won't be John who will be getting away.

MASONIC

On the evening of St. John's Day, June 24th, the following officers of Parthenon Lodge, No. 267, A. F. & A. M. G. R. C. were duly installed by Rt. Wor. Bro. T. C. Macnabb, assisted by Wor. Bro. Robt. Park:—
I. P. M.—John Darling.

To look on the bright side of life robs the shadow of its sombre outlines.

A pure cream of tartar baking powder like Cleveland's, pound for pound, will raise twice as much bread, cake and pastry as the cheap alum powders and will give you good, wholesome food.

If housewives knew the bad effects of alum baking powder on the system you could not give them a can. Yet some of it is sold every day because people think it is cheap.

It is not cheap.
