Bad Breath
Is Usually Due to Constipation

When you are constipated, not enough of Nature's lubricating liquid is produced by the bowel to keep the food waste soft and moving. Doctors prescribe Nujol because it acts like this natural lubricant and thus relieves it.

Nujol is a lubricant—not a medicine or laxative—so cannot gripe. Try it today.

American Music Chief Wins Supremacy For Melodic Wares in Other Lands

Paul Whiteman Sends Orchestras 'Round World

Paul Whiteman, famous orchestra leader is taking American jazz 'round the world with all the blare and rhythm intact. He is achieving this in each case by sending an orchestra along to play the music.

In Australia, and in Brazil, where a great international exposition has just opened, the fappers are stepping to "Tricks." Whiteman's newest jazz hit, and in Paris and Deauville smart continental society is dancing to the same all-American tune.

"For a long time, other countries have been interested in our jazz," Mr. Whiteman declares. "They loved it when they heard it in this country, but for some reason they declared it never sounded the same when they got it back home."

"Of course the reason for that was that it takes Americans to play American jazz. Now we are sending them jazz players and jazz instruments along with 'Tricks' and other jazz favorites.

"It's working wonderfully and I guess it's safe by this time to say that American jazz leads world dancing."
