**VALENTINES**

A successful innovation was introduced into the routine of Montreal Street school for Valentine Day. A large box was placed in the hall which the school's secretary invited to us for the mailing of valentines to one another. It was in place several days before the 14th and yesterday was open and the contents distributed to those to whom they were addressed. About 500 valentines in all were sent and the opening of them created quite an interest among the pupils.

**A GREAT TREAT**

Ralph Camor's new story "The Foreigner" has been bought by the Family Herald and Weekly Star of Montreal and publication will begin in two or three weeks. Ralph Camor's former stories "The Doctor," "The Prospector," "The Man from Glasgow," and others have made him famous as a story writer, and "The Foreigner" is regarded by many as his best. It is a thrilling story of the Canadian West. It is said that the price was the biggest ever paid for any story.

It will be a great treat to the readers of the Family Herald and Weekly Star and those who become subscribers to the great weekly during the next two weeks will be in time for the opening chapter. The beautiful picture "The Soul's Awakening" is still offered as a premium. The combination is the biggest dollar's worth in the market today.
