A GREAT TREAT

Ralph Connor's new story "The
Foreigner" has been bought by the
Family Herald and Weekly Star of
Montreal and publication will begin
in two or three weeks. Ralph Con-
nor's former stories "The Doctor,"
"The Prospector," "The Man from
Glasgow," and others have made
him famous as a story writer, and
"The Foreigner" is regarded by
many as his best. It is a thrilling
story of the Canadian West. It is
said that the price was the biggest
yet for ever paid for a new story.
It will be a great treat to the read-
ers of the Family Herald and Weekly
Star and those who become sub-
scribers to that great weekly during
the next two weeks will be in time
for the opening chapter. The beau-
tiful picture "The Soul's Awakening"
is still offered as a premium. The
combination is the biggest dollar's
worth in the market today.
