SPORT TALK

News of the Sport World condensed and a few ideas on local conditions

ALBERT W. McKEAGUE

Of Johannesburg, the winner of the motor-cycle marathon in South Africa. The distance was 421 miles and he finished 24 minutes ahead of the second rider, McKague went from Toronto to South Africa with the Strathcona Horse, and fought all through the Boer war with the Canadian contingent, afterwards making his home in South Africa. His mother still lives in Toronto.

VENTURESOMENESS THEIR DOWNFALL

Badly Judged Base Throwing and Couching Gives Maroons Easy Time.

Last evening a team of ball tossers journeyed from the progressive town of Oak Lake and did battle with the Maroons on the Athletic grounds. The locals were supplied by three men from the Rexalls of the city league, Scott on second, Irwin on third, and Robinson on mound, all doing good work and maintained the Maroon's standard. The first was opened by the visitors with no score and for the locals they binged out one in the second. Williams fumbles and follows with a wild throw to Luckam, and Ump Cuff gives the locals another score on a dead ball; in the third the Lakes made a hit over first that should be good for two bags but owing to the absence of a marker the ump. says foul, while the locals marked up three; in the fourth and fifth, the latter were credited with two more and in the seventh neither side annexed, in the seventh the Lake team got in their first run and the local turned the same trick, in the eighth the visitors failed to make a shoving and the home team gathered in two more and made a very pretty double play second to first. This practically closed the game.

If anything the visitors lost the game by being too venturesome and a lack on the coaching line and of judgement in running bases. "Mustard" made several good hits but threw his good work away in making the bases. "Midget" Head did a pretty stunt in the right pasture when he made a run and brought down a high drive that was aided in its journey by the wind. The mound work was acceptable from both Robinson and Johnson, although there were several walked, the latter however was credited with 12 strikeouts, and Ralph Helliwell in the sixth off the initial made a double unassisted. The score was 9-1.

FAIR GROUND TRACK

MECCA FOR ATHLETES

Last night at the fair grounds the track was measured off for the 100-yard dash, the 120-yard hurdles and the 220-yard dash. The measurements will be the ones used at the big athletic meet July 19th. Many inquiries have been made regarding the running of the races and a large entry is looked for from the Brandon boys. The hurdles are on the track now and the boys will be able to get on some first class work at that event.

A good turn-out of all the men and boys for Monday night at 7:30 is looked for. After the practice Monday evening there will be a meeting of the men at the Association to elect officers for the Harriers Club. At this meeting plans will be gone over for the holding of a handicap meet to be held about a week before the provincial meet.

EMPIRE THEATRE MONDAY and TUESDAY

"THE OPEN SWITCH"

A Sensational Railroad Drama

1-4 in the Dean Stable, can pace a quarter over a half-mile track in 29 seconds. He is entered in the Chamber of Commerce and at this date is one of the most promising candidates.
The Martin stable from Dover, N. H., that is racing through the Canadian Circuit, is comprised of the following members: Northern Spy, 2:12; Cheerful Charley, 2:12; Kavak, 2:15; Pinto, 2:17; Fred Kanno, 2:16; Natalie, 2:14; and Dichato, 2:17.

Fair Virginia by Zombre, owned by W. H. Knight, Sec. of the American Trotting Association, and heavily stabled in the Grand Circuit by the Pastime Stables of Cleveland, Ohio, is working well for J. B. Chandler at Indianapolis. She recently worked a mile in 2:13 with a last half in 1:04. Fair Virginia was in the W. J. Andrews stable early in the season, but did not train well for the Buffalo teamster and was turned over to "Chan" who drove her a mile in 2:08 1/4 as a three-year-old.
Gordon Knowles, the young Canadian trainer who took care of the grey warrior, The Col, 2:02 1/2, when that famous pacer went down the Grand Circuit racing in the rich pacing stakes a few years ago,

has won three races with the east-offs, Adrian Pointer, 2:17 and Silver King, 2:26 since joining the Canadian Circuit at Scaforth. Knowles has succeeded where more noted trainers failed, and apparently has both horses mannered and in condition to take fast records.

"JIM" CORBETT RUFFLED MILITARY COP STEPS IN

New York, June 28.—The feelings of James J. Corbett, former heavy-weight champion, were considerably ruffled during the intermission at the Polo Grounds yesterday. Corbett, who has been rooting for the Giants, left a private box next to their bench after the first game and proceeded to the rear of the grand stand. In the aisle a tall, slim fellow met him and a war of words followed.

"You have been talking about me all over the country," cried the unknown, "and you're a liar!"
"Keep away from me!" retorted Corbett, his voice trembling. "Don't try to pick a fight with me, because you'll be sorry!"
"I'm not a bit afraid of you!" was

the quick reply. "You never were any thing but a coward and I've half a mind to take a punch at you!"
"Better not try it!" Corbett exclaimed with a gleam in his eye. "I might slap you on the wrist!"
"Take off your coat and we'll fight right here," bawled the other, as he threw his hat on the floor and squared off in true pugilistic style. "I can lick you!"

Just then a military cop loomed up and Corbett asked him to prevent trouble.

MCCAREY SETTLES WEIGHT

Los Angeles, Cal., June 28.—Leach Cross and Bud Anderson will weigh in at 133 pounds at 12 o'clock noon for their twenty round bout on July 1, and the battle will be staged at 3 instead of at 1 o'clock as had been suggested.
This decision was made by promoter McCarey today after Cross and Anderson had come to a deadlock over the weighing in hour. McCarey settled things by declaring that Cross had agreed to 133 pounds at noon when he accepted the terms for the match.
