HILLSBOROUGH.

HILLSBOROUGH, Albert Co., June 6.—The Albert Co. Teachers' Institute met at Hillsborough today. Forty teachers were present—30 women and 10 men. The president, Thos. R. Colpitts, Principal of Alma Grammar School, opened the Institute. Dr. Marvin welcomed the teachers on behalf of Hillsborough. Miss Severson of Alma gave a lesson first to children, then to the teachers, on the Kindergarten method in primary schools. In the afternoon C. J. Osmann, M. P., took the whole party to visit his gypsum quarries. While returning a Botany lesson was given by Dr. G. U. Hay, editor of the Educational Review. In the evening a public meeting was held in the hall. Good music was provided. The speakers were Messrs. Osman, Jas. M. Palmer, late of Fredericton, G. U. Hay, Rev. Mr. Townsend and Inspector R. P. Steeves. Mr. Osman gave a brief opening address. Inspector Steeves followed. He advocated increased manual and industrial and business education in schools. Dr. Hay agreed with the Inspector, and spoke a word for the N. B. Tourist Association. Mr. Palmer graphically described our political corruption, and said that only proper education could remedy the defect. Meeting closed with National Anthem.

Valuable Advice to Rheumatism.
Eat meat sparingly, and take very little sugar. Avoid damp feet, drink water abundantly, and always rely on Polson's Nervine as an absolute reliever of rheumatic pains. Being five times stronger than other remedies, its power over pain is simply beyond belief. Buy a large 25 cent bottle to-day, and see if this is not so. Polson's Nervine always cures rheumatism.

BEAVER DAM.
June 5.—We have been having very fine weather lately and the roads are in very good condition. Most of the farmers around here have finished farming. Miss Ara and Master R. Green, of McAdam, are the guests of Mr. and Mrs. F. Jones. Mrs. Jas. Harris, jr., has returned home from St. John, where she has been visiting her parents. Mr. Thos. O'Leary captured a large bear last week. Rev. Mr. Dibble and Mr. Cowie will conduct service in the Church of England on Sunday, the 9th, at 3 o'clock in the afternoon. Service will also be held in this school house at 10 o'clock Sunday morning and will be conducted by Rev. Mr. Seely. Miss Lorrie E. Lord was the guest of Miss Milly Moore on Thursday last. Miss Ada G. Hines spent Saturday evening with Mrs. John Moore. Miss Mary J. and Mrs. James Harris spent last Sunday in Gornish. To cure headache in ten minutes use Kumfort Headache Powders, 10 cents.

The Wharf at the Cedars.
Thomas Gilliland began to-day the construction of the wharf at the Cedars. The wharf at Dunham's, Grassy Island, is well under way. Work there has been delayed on account of the water being too high to permit of its successful prosecution.

ODDS AND ENDS

Ignorance of the law excuses no one.

A Balm to Humanity
Wherever there are sickly people with weak hearts and deranged nerves, Milburn's Heart and Nerve Pills will be found an effectual medicine. They restore enfeebled, enervated, exhausted, debilitated or overworked men and women to vigorous health.

An agent is liable to his principle for errors.
Nothing can be good for everything. Doing one thing well brings success. Doan's Pills do one thing well. They are for sick kidneys. They cure backache and all kidney ills.

The act of one partner binds all the others.
Turn the Rascals Out
We refer to such rascals as dyspepsia, bad blood, biliousness, constipation, sick headache, etc., infesting the human system. Turn them out and keep them out by using Burdock Blood Bitters, the natural foe to diseases, which invigorates, tones and strengthens the entire system.

A principal is liable for the acts of his agents.
No Other Remedy
No other remedy cures summer complaint, Diarrhoea, Dysentery, etc., so promptly and quietly pain so quickly as Dr. Fowler's Extract of Wild Strawberry. It is a pocket doctor for tourists, travellers, etc.
