NEWCASTLE, MIRAMICHI, N. B. WEDNESDAY, MAY 21, 1879.

### NEW BRUNSWICK ELECTION PETITIONS.

AT Fredericton last week, His Honor Chief Justice Allen delivered judgment in the preliminary object were pleased to see the Hon. Mr. Adams judgment in the preliminary objections in the Westmorland and St. were pleased to see the Hon. Mr. Adams in order to enable parties to tions in the Westmorland and St. were pleased to see the Hon. Mr. Adams day), and in order to enable parties to of the Free Grants Settlements for the witness the ceremony, the New Era will John City election petition matters.

purpose of ascertaining the state of the different colonies, and the roads running

For particulars see the advertisement. He holds that the Supreme Court of through them, before authorizing any New Brunswick has no jurisdiction stated amount of expenditure for opento try Dominion election petitions, ing up and repairs. He started at once in company with Mr. Kenny, M. P. P., Mr. Geo. R. Gunter, of St. John, who Act of 1874 is ultra vires and inopera- interests of intending settlers from that tive. This is certainly an announce- city, and the Local Deputy Mr. Stewart, ment for which the people of this and "Colebrooke" settlements, reaching Province were unprepared, and only Campbellton at night. goes further to show the inward wards the "Lorne" and "Sunnyside" wickedness and deceit of the party which on the 17th of September was called upon (and not one moment 100). The same and the settlements which are situated in the Parish of Durham, about six miles from the Bay Shore, and after estimating the probable amounts required for the party wards the "Lorne" and "Sunnyside" ion in their bereavement, and that while we feel we shall miss him at our social meter and the Bay Shore, and after estimating the probable amounts required for the party wards the "Lorne" and "Sunnyside" ion in their bereavement, and that while we feel we shall miss him at our social meter way to a sunnyside wards the "Lorne" and "Sunnyside" ion in their bereavement, and that while we feel we shall miss him at our social meter and the Bay Shore, and after estimating the probable amounts required for the party wards the "Lorne" and "Sunnyside" ion in their bereavement, and that while we feel we shall miss him at our social meter and the Bay Shore, and after estimating the probable amounts required for the party wards the "Lorne" and "Sunnyside" ion in their bereavement, and that while we feel we shall miss him at our social meter and the bay Shore, and after estimating the probable amounts required for the party wards the "Lorne" and "Sunnyside" in the party wards the "Lorne" and "Sunnyside" in the probable amounts required for the party wards the "Lorne" and "Sunnyside" in their bereavement, and that while we feel we shall miss him at our social meter wards the probable amounts required for the proba called upon (and not one moment too probable amounts required for each, resoon) to relinquish the reins of power.

It will be remembered with what an The Surveyor-General and Mr. Gunter The Surveyor-General and Mr. Gunter The Surveyor Seneral and amount of Pharisaical parade this speak in the highest terms of the settlements, but more especially of Sunnyside, away with that system of bribery and corruption in connection with the ballot which is, to say the least, a discredit to the nineteenth century.

Even at the very moment this Act was being placed upon the statute books of Mr. M'Callum's Report of the Boundary and which are clearances which ought to put to shame the settlers of many an older district. It is a matter for regret that the party could not visit the country above Campbellton where there is as, good land as can be found in any part of the Province, and which is part of that fertile belt leading from the settlements on the upper St. John, and spoken of in Mr. M'Callum's Report of the Boundary Survey of this Country. At an early day ballot which is, to say the least, a discredit to the nineteenth century. Even at the very moment this Act was being placed upon the statute books of Canada, its projectors, the so-called Reformers or Grits, were laughing in their sleeves at the hollow sham and fraud they were about to perpetrate upon the people. True, their anticipations have doubtless been realized, in that several of their supporters will now he able to retain seats obtained in the most corrupt manner, and which in all probability would There was a fair attendance at the have been wrested from them had the meeting of the Newcastle Reform law been operative, instead of being Club on Friday evening. a dead letter, so far as this Province prayer by the Chaplain, the choir sang is concerned. It is by actions such "Help drive the Wedge." The Rev. as these that the people are getting Jas. On overtaking the results and prospects of protection, as bear, Mr. F. observed that the cubs million lbs., none of which are credited to New Brunswick. Our correspondent, who is remarkably well informed on the subject, is of the opinion that over 3,000,000 lbs. of canned 'lobsters were exported from our province last year.

BurgLary and Robbery.—George A. Blair, Esq., has been engaged since well as the preliminary examination of Robt. Johnson and James Morris, charged with breaking into D. M. Loggie & Co.'s store and taking goods therefore ask its readers to believe that three successive Ministers have allowed themselves to be deceived by "an ignorant, them are allowed them selves to be deceived by "an ignorant, them are stiffed as a state of the product of the pr that otherwise it would have been im-possible to look forward to. Facts shattering her teeth and inflicting a are stubborn things, and the fact as at severe wound. At this point Fairen present assured it is impossible to get staggered and tripped over his snow-around. We have been told that the shoes, and in another moment would working men are obtaining no sub-stantial benefit, that their wages have not been increased, while articles that forced her to turn and pursue him. with them are of absolute necessity On again turning to attack Fairen, have been enhanced in cost. Granted that in the meantime these things do let which stretched her on the snow." cost a little more, many who under the old order of things were compelled to The Queen's Birthday Celebe content with short allowances are bration. enabled to obtain something approaching to full supplies. They are not now, as they were, upon the verge of that the troops noted below will be f they have not to spare. For some, it is true, the turn of the tide has not

present to take part in the Review on the 24th: Cavalry-the Montreal set in, but to these their generous-hearted fellows in the lower walks of life—and where is there more genuine charity and a deeper sentiment of brotherhood?—are able to do much brotherhood?—are able to do much troop, the Ottawa troop; Artillery gineers, two companies Infantry, Brooklyn Batt., about 500 strong; Governor-General's Foot Guards, 5th more, whether directly or by their contributions to the charitable institutions that have to depend upon the public for their support. There are public for their support. There are Prince of Wales, Victoria's, Queen's removed, of which those in authority have not yet been convinced, but which experience will effectually dewhich experience will effectually de-monstrate, and whose removal public opinion will compel. Our tariff may the Brooklyn Battalion of Infantry from the state of New York, estimated at about 200 strong. be possibly incomplete, but its ado tion and operation will undoubtedly be better than the fly-on-the-wheel
