DON LYON FRACTURED WRIST BONE IN PRACTICE.

Unfortunate Accident Occurred When He Tackled Harper on Saturday—He Will Likely be Able to Play Again in Three Weeks.

The Tigers' practice at the Cricket Grounds on Saturday afternoon came to a sudden termination when a most unfortunate accident occurred to Don Lyon, the fast outside wing who had one of the small bones in his wrist broken.

seniors and a picked team. While the big fellows outclassed their opponents, they got a good workout. The team worked well in all departments. The line backing of Grey and Barron was great.

The juniors and intermediates had a fine workout. If both teams do not turn out to be champions it will not be because they lack material.

Tom Ross, the Cubs' manager, is a busy man these days. Tom has a hard job ahead of him looking after the juniors.

Filman, a junior recruit, is showing fine form this year. "Fil" may find a place on the intermediates.

Callowhill, of the Y. M. C. A., was out on Saturday. He is a big, strong, muscular boy, and in a few years should make the seniors. He is one of the most valuable finds this year.

Higgins, the big highfield boy, is in uniform. He has the same style of running as Art. Moore, and with his strength is a hard man to stop.

Harper, Thompson and young O'Heir, the boxer, are all working for places on the intermediates.

Leslie Simpson, the fast outside wing of last year's junior Tigers, will play for McGill this season.

BOBBY KERR MEET A HUGE SUCCESS.

Nearly Two Thousand People Were on Hand to See the Games—Kerr Equalled the Canadian Record in the 220.

BOBBY KERR.

Nearly two thousand people saw the Bobby Kerr games at Britannia Park on Saturday afternoon, and from every standpoint the meet was one of the most successful ever held in this city.

In the 100-yard invitation race the contestants were Kerr, Sebert and Dent. The Hamilton champion took an early lead, and finished first, with a good free lead between himself and Sebert.

The 220-yard dash is Kerr's best distance, and in this event he trimmed Sebert by nearly three yards. Sebert is also supposed to be at his best in the 220, but Kerr has it on him considerably.

Goulding was easily the class of the field in the walking event. In the first three laps he had overhauled all the handicappers, and was a local man.

Lunghi, the Italian speed wonder, had no difficulty in defeating George Lester in the 880-yard handicap. The Toronto boy got 45 yards start, and Lunghi beat him by 20 yards in 1:57.2-5.

Naturally Bobby Kerr was the popular athlete of the day, and his appearance on the field was always the signal for applause. When he equaled his own record, 21 2-5, for the 220 yards dash, the crowd was wild.

The officials in charge of the meet were as follows: D. M. Barton, referee. Rev. J. D. Morrow, Toronto, starter.

100 yards, boys—Francis Wilson, Stratford, 2 Time, 11 4-5. Second heat—Hyslop, Hamilton Y. M. C. A., 1; C. D. O'Donnell, St. Patrick's B. A., Hamilton, 2 Time, 11 seconds.

100 yards handicap, first heat—J. Preston, Stratford, 8 yards, 1; H. Fraser, Stratford, 3 yards, 2 Time, 10 3-5. Second heat—E. P. Farrell, St. Patrick's B. A., 2 yards, 1; T. Murphy, M. C., Hamilton, 2 yards, 2 Time, 10 4-5.

Final—Preston, 8 yards, 1; Morgan, Hamilton, 2 yards, 2; Farrell, Hamilton, 2 yards, 3d Time, 10 2-5. 100 yards invitation—Bobby Kerr, 1; Lou Sebert, Toronto, 2; Fred Dent, Woodstock, 3 Time, 10 flat.

2-mile walk handicap—George Goulding, scratch, 1; S. Sodden, Hamilton, 350 yards, 2; H. P. Goddard, Toronto, 125 yards, 3 Time, 14 17 2-5.

Mrs. S. O. Greening, Mrs. William Southam, Mrs. R. J. Moodie, and Mrs. R. T. Steele. Prizes received from the hands of such ladies were doubly appreciated by the victorious athletes, who in some instances blushed at the terms of praise that accompanied their prizes.

Second Series of the Inter-City League is Now Tied—Hamilton Team Claimed That Umpire Miller Was Partial.

BRANTFORD, SEPT. 27.—(Special.)—The W. E. P. C., Shapley & Muir team forced a tie in the second series of the Inter-City League here on Saturday, when the West End Pleasure Club was beaten by 3-2 in a scrappy game, marked by some of the best baseball witnessed here this year.

The Windmills scored first in the third inning, when Walsh and Shea drew passes and Canella made a fine two-bagger to left, scoring both. The third and deciding run came in the eighth inning, and Simpson was roundly cheered for his great work. The West Enders negotiated the plate once in the fifth and again in the seventh inning, although runners on third came dangerously near upsetting the calculations of the homesters on a couple of occasions.

Umpire Miller probably gave the Windmill team the best of it. Certainly the West Enders received no close decisions, and they were warranted in their kicking.

In the sixth inning Miller gave a costly decision against the West Ends. Hackbusch hit for two bases and went to third when Carey went out at first. With two down Southern banged an apparently safe hit into right field, Patterson getting the bound, however, and throwing the runner out at first. It was inches either way, and the side was retired, Hackbusch failing to register the run. This decision might have won the game for the visitors.

On balls and strikes "his ump," the visitors claimed, showed partially to the home pitcher. Both, except for the first sharefire which he issued, and which were costly, pitched a good game, holding the Windmills to three hits. Every hit the home team made, however, counted. In addition the Hamilton boy had seven strike-outs to his credit. Gage scored the first run for the visitors when he uncorked a three-base hit, Canella knocking the ball over the fence in going after it. The throw to third on the relay was

Stolen base—Simpson, Gage. Bases on balls—Off Bothen 5 (Shea 3, Bardgett, Walsh); off Simpson one (Lanning). Hit by pitcher—Hackbusch, McCallum. Struck out—By Simpson six (Dressback 2, Howard 2, Lanning 2); by Bothen seven (Johnson 2, Canella 2, Minnie, Simpson 2). Left on bases—G., S. & M. 4, West Ends 6. Double plays—Lanning to Southon, Simpson to Bardgett. Stolen base—Shea.

wild, and the big fellow went right home. In the seventh the West Ends tied the score when Buscombe singled and Bothen doubled.

There was a lot of excellent fielding in the contest, Dressbach and Buscombe being the best of the visitors. McCallum made two sensational catches at third base, and Patterson executed a quick play when he cut Southern off at first base. If Saturday's game is any criterion of the series of two games which these two teams will now have to play, the series will be a hummer. Larry Burke has been agreed on as the umpire for the games to break the tie.

SCOTS AND WESTINGHOUSE WON SATURDAY'S GAMES.

S. O. S. Team Was Whitewashed—I. P. L. Could Not Score—Scores Were No Indication of Play—Lancashires Had a Bye.

With such ideal weather for soccer on Saturday the games were largely attended, and although the scores in both games were rather one-sided the play was very even. New players are continually being tried out and a number were given a chance in Saturday's games of demonstrating their abilities as football players.

In the game between the Westinghouse and the S. O. S. the former played a fast game with the result that the S. O. S. were whitewashed. The S. O. S. only had five of their players and after a hurry-up call, among the spectators they secured the required number for a team. Considering that half of the players had not a work out before the game the S. O. S. held their ground well. At the start the Westinghouse made good headway, but the individual play of the S. O. S. kept them from scoring for some time. The Westinghouse were very careful not to allow their opponents to gain too much ground or get too near their goal. They worked hard to keep the play on the S. A. S. ground and were fortunate enough to do so for the most of the game. After the ball had been kicked backwards and forwards for some time the Westinghouse made a good rush and for a time the play around the S. O. S. goal was very close, but they failed and gradually forced the play back until it was near centre. The Westinghouse previous successful rush had given them courage and they attempted the same trick a second time, and scored the first goal. When play was again resumed the S. O. S. seemed refreshed and eager to even up the score and the Westinghouse for a time had their work cut out for them to keep the ball clear. The steady work of the well-trained Westinghouse team began to tell and before half time was called they had

added another goal making the half time score 2-0, favor Westinghouse. In the second half the S. O. S. were not quite so strong, but they were not to be deceived without a fight, and they tried to at least keep the score down. In that they were partially successful, for the Westinghouse scored but 3 other goals, making the final score 5-0 in their favor. The Westinghouse have won both the games they have played in the fall series, and present indications are that they will have a walkaway.

In the second game between the International Scots and the Independent Labor Party the score was also one-sided, but it was not a true representation of the qualities of the two teams. Although the Scots played well and deserved great credit for their combination play, the Labor Party played good football, and were kept from scoring only by hard work on the part of the club.

A number of good kicks by the Labor men narrowly missed passing between the goal posts. From the start the Scots worked hard and showed some of their old-time form. The play at first was even, but the Labor party played faster than the Scots, and it was not long before the play was on an I. P. L. ground. After a few good kicks had been blocked by the I. P. L. P. goalkeeper, a speedy one passed between the posts before he could stop it. When the ball was again put in motion the Scots worked hard and before half time was called they had secured another goal-making the half-time score 2-0.

In the second half the Labor Party did not try very hard to score, but contented themselves with checking their opposers. The Scots, however, were not content for the game to close with such a score, and before full time was sounded they added two goals, making the final score 4-0 in their favor.

Dick Baird's Ideal Wins Stake Race.

Bay Gelding Ramped Home an Easy Winner.

Dick Baird's champion pacer, "Ideal," added another to his list of victories when he captured the pacing stake at the State Fair at Clarksburg, West Virginia, last week. The race was for a \$1,000 purse, and the winner was presented with a floral wreath by the Clarksburg News. The wreath is now on exhibition at Dick Baird's hotel, the Metropole. This is the first pacing stake race to come to Hamilton and the owner is naturally proud of his victory.

COMMENT AND GOSSIP

The injury to Don Lyon in the practice on Saturday will be a severe setback to the yellow and black, and although he will be able to return to the game in about three weeks it would be foolish to take a chance in Ottawa. Fortunately the bone was a small one and will knit fast.

Although not as large as expected the crowd that turned out at Britannia Park for the Bobby Kerr games on Saturday was good considering the lateness of the season. The programme was by far the best of anything ever seen here.

Cheer up, boys, the bookies will be here to-morrow to help you pay for your fall suit and underwear.

Bobby Kerr was certainly at the top of his form on Saturday when he equalled the Canadian record for the 220 yards dash. On a straight track with a speed merchant like Reg Walker behind him it is safe to say that the record would have gone by the boards.

Carlods of horses have been arriving here for the last three or four days for the Autumn meeting of the Hamilton Jockey Club, which starts to-morrow. The track and steeplechase field is in the best of condition, and with the class of horses that are coming in some of the best racing in years should be seen. Many improvements have been made since the Spring meeting and additional grandstand accommodation has been provided.

J. W. Pearce will again have charge of the programmes, and he promises that the card will be more complete than ever, which is going some, as it is now considered the best in Canada.

each and every individual on the Toronto team for their able assistance in landing them in the pennant berth by the sound thrashing they gave Newark.

The Rochesterians have won the Eastern League pennant under the able management of John Ganzel, who is generally regarded as the new leader of the Brooklyn team. The Newark, owned by Iron Man McGinnity, had made a game fight but the injury to Capt. Wolverton some time ago proved fatal to the team's success. McGinnity, however, has cleaned up about \$20,000 in profits and has also demonstrated the fact that he is still able to pitch good ball.

Rochester has gone wild over the success of the new champions and Manager Ganzel, if he sees anything he wants in the town, can have it.

Johnson says that he is tired of waiting to hear from Jeffries. He declares that if the boiler-maker does not come back from Europe within the next month he will declare everything off. Johnson cannot be convinced that Jeffries means to fight and predicts that the burly Californian when he arrives in New York will sign vaudeville contracts that will carry him through the winter and spring. Since making a show of Kaufman's confidence in himself has increased wonderfully, until he is sure that he can defeat Jeffries. In discussing the proposed big mill the other day Johnson said that he would agree to forty-five rounds or a finish contest and that he would tire Jeffries out by the use of defensive tactics. Jeffries cabled from Paris to a friend in New York yesterday that he would sail for America about the first week in October.

Philadelphia had the chance Saturday for a long gain on Detroit, but this morning the relative positions in the American League are the same. Cleveland failed to score on the Athletics, losing both games. Detroit was at the home of the enemy in New York, and landed the double-header. In the National League there was nothing special, except that Money Gibson is still catching for Pittsburgh.
