

THIS WEAK, NERVOUS MOTHER

Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which added to my weak condition kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness."—Mrs. J. WORTHLINE, 2342 North Taylor St., Philadelphia, Pa.

The majority of mothers nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down, nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. It is at such periods in life that Lydia E. Pinkham's Vegetable Compound will restore a normal healthy condition, as it did to Mrs. Worthline.

Eclipse of Sun To Be Partial Here

Will Be Seen in This Locality June 8—Total Eclipse in United States

A total eclipse of the sun will be visible in the United States on June 8 in this locality the eclipse will be partially visible. Eclipses of the sun are caused by the moon coming directly between the earth and the sun at some point on its journey round the earth. When the sun, moon and earth are all in a straight line we have a total eclipse of the sun. That this does not happen once every month is due to the fact that the moon keeps swinging out of the direct line.

Thus we see a total eclipse only when the moon comes directly between the sun and the earth.

Sometimes the moon is farther away from the earth than at other times, causing its disc to be too small to completely cover up the sun. This we call an annular eclipse, as it shows a ring of the sun's image shining around the black circle of the moon's disc. However, when the moon is near enough to the earth we see a true total eclipse.

The seeing of a total eclipse of the sun is a rare event and does not usually occur oftener than once in the life time of any man. This eclipse will be the most notable astronomical event of the year, and astronomers in the States have taken great pains in selecting the best vantage points from which to view it. A careful study of the weather condition of the observatories along the line of totality has been made, and those with the best record have been chosen for stations of observation. It is very essential that the weather conditions should be perfect, as the eclipse will only be visible for two minutes and one second in South Bend, Wash., and for barely forty-five seconds in Orlando, Florida.

OBITUARY

GEORGE FRASER (DOWNIE).
(New Glasgow, N. S., Eastern Chronicle)

The death took place at his residence, on Temperance Street, Thursday evening, of George Fraser (Downie) in the 55th year of his age. He leaves a widow, two sons, James who came home a few months ago invalided from the front where he was for two years nobly doing his duty and where he got his hip shot away, and Alex, at home. Three daughters also survive, viz., Christie, Mrs. Scott Cameron; Donalda, Mrs. Howard McCulloch, and Eliza Beth, a brother, Mr. Alex Fraser (Downie), of New Glasgow, and a sister, Mrs. Vye, of Blackville, N. B. also survive.

The death of George Fraser will recall memories of the Downie Frasers—once the most prominent and influential and powerful family in East Pictou. This honest position they won by great unselfishness. No man was ever sent empty away from their store whether he had money or not, and many families throughout the County today owe the Downie Frasers for tiding them over hard and difficult places when money and flour were scarce. All the family were men of charitable and generous influences, and never forgot the hospitable ways nor the charitable and kindly acts and deeds of their forefathers. No one in distress or poverty ever failed to find help when he sought it at their hands. Another feature prominent in their lives is this: They all bore adversity as bravely as prosperity and enjoyed this giving away to others.

The late George Fraser (Downie) believed in the Fatherhood of God and the brotherhood of man. He believed in scattering flowers in the pathway of his fellows, and not thorns. Human sympathy and human kindness always characterized him, as they did all the family, and they will have their reward, for the Master says: "Inasmuch as ye have done it unto one of these ye have done it unto me."

Words of Praise For Baby's Own Tablets

No medicine receives such great praise from thankful mothers as do Baby's Own Tablets. Once a mother has used them for little ones she will use nothing else. The Tablets are a mild but thorough laxative. They regulate the bowels and stomach; drive out constipation and indigestion; cure colds and simple fevers; promote healthful sleep and make teething easy. Conveying them Mrs. Omer LeBlond, Westville, N. B., writes:—"I am well satisfied with Baby's Own Tablets and will always use them for my little ones." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

JUNE 30 A DAY OF NATIONAL PRAYER

The government has fixed Sunday, June 30th, as a day of prayer and humiliation. The day fixed just precedes the Canadian national holiday, Dominion Day. It was thought under present war conditions that it was fitting to join the day of prayer with our national holiday.

How Lt. McKnight Won Military Cross

Official Report Tells of Heroic Work of Douglastown Boy

London, June 1—The following particulars are available concerning the award of the Military Cross to the officers mentioned, whose names has already been called:

Lt. Joseph G. McKnight took charge after the company commander was wounded, and led the company to its objective.

(Lt. McKnight is a son of Coun. and Mrs. Joseph McKnight of Douglastown. He went overseas with the 132nd North Shore Battalion, and his many friends are pleased to know that he is making good in the firing line.)

SUFFERING CATS! GIVE THIS MAN THE GOLD MEDAL

Let folks step on your feet hereafter; wear shoes a size smaller if you like, for corns will never again send electric sparks of pain through you, according to this Cincinnati authority.

He says that a few drops of a drug called freezone, applied directly upon a tender, aching corn, instantly relieves soreness, and soon the entire corn, root and all, lifts right out.

This drug is a sticky ether compound, but dries at once and simply shrivels up the corn without inflaming or even irritating the surrounding tissue. It is claimed that a quarter of an ounce of freezone obtained at any drug store will cost very little but is sufficient to remove every hard or soft corn or callus from one's feet. Cut this out, especially if you are a woman reader who wears high heels.
