BRITISH GOLD FROM CANADA AGAIN FLOWING TO NEW YORK.

The first large gold shipment from Great Britain to the United States since early in 1917 was received in New York Tuesday, when \$6,300,000 reached J. P. Morgan & Co. The gold came by way of Ottawa. It was said the movement involves approxiadian ace, who disappeared lastThurs- mately \$18,000,000. The balance is expected within a few days. The metal is for the account of the Bri tish government and was received by the Morgan firm as agents Great Britain.

In some quarters it was though the gold was being sent to meet a special obligation, but this was denied. It was said to be more likely ticipation of the exnaustion of the \$10,000,000,000 credit to the Allies. Of this amount \$9,370,300,000 has received \$4,236,000,000.

It is believed Great Britain has this seasor, but no shell eights will accumulated a consderable amount of gold in Canada in the last two years. time that the production of the Bri-Australia has been sent to Ottawa: bankers estimate this accunulation at more than \$200,000,000.
