Drinking For 24 Years.

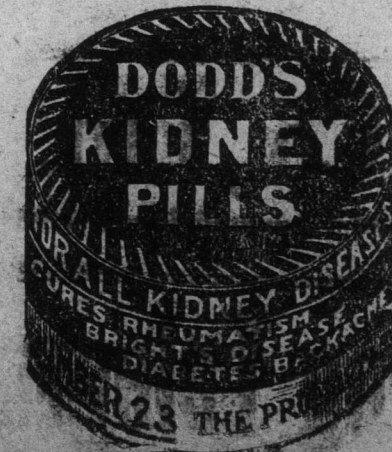

Was 10 Days in the Ice.
A Physical Wreck Cured by The
Gallin Treatment.

A man who had been drinking steadily for 24 years came to the Gallin Institute for treatment. He was a physical wreck and was so extremely nervous that his hands were always shaking. The habit was broken, his nervousness disappeared, his health improved and he was even able to shave himself. He left the Institute a new man, with confidence in himself, and no more desire for alcoholic drinks. The Gallin Institute has effected the cure of many men when their friends thought them incurable. No case is too difficult for this treatment, even the most confirmed drunkards. It is easy to take, has no disagreeable features, leaves no bad after effects. It never fails to cure and the cure is permanent. Every privacy is maintained with private room and nurses in attendance. This is the original three day cure and absolutely reliable. The Institute is under license from the Government of the Province of Quebec. Cure is guaranteed to be satisfactory in every particular, or we refund the fee paid and the treatment costs nothing. For the Home Treatment a trained nurse will be sent to administer treatment, if desired, within a reasonable radius of Montreal, free of charge. Call, write, or telephone for full particulars. The Gallin Institute, 41 Longard street, Halifax. 131.v.s.
