An Pastor Leaves Pulpit.

The last mail received from Canada we learn that the Rev. Archdeacon Fortin, who has been Rector of Holy Trinity, Winnipeg, preached his sermon on the 25th ult. and

in future will reside at California. The venerable cleric is classed as one of the pioneers of the Great West, whose great influence with the people of all denominations has done much in building up that part of the Empire. Dr. Fortin, who some years ago was medical practitioner at Bell Island, is a son of Archdeacon Fortin. Not a few Newfoundlanders in Western Canada owe their success to the

timely counsel and influence of this great churchman.

L. C. A. S. Annual Sale.

At 4 o'clock tomorrow afternoon the Ladies' College Aid Society are holding their annual sale. The affair, which is to be held in the Methodist College Hall, will be formally opened by the Hon. J. C. Crosbie. A large supply of useful articles, the kind one would like to have for a Christmas present, will be offered for sale. Teas will be served between 6 and 8 o'clock, and on Thursday the sale will be continued and will conclude with a concert at night. The object for which the funds are being raised is most deserving and all who can should make an effort to be present and help along the cause.

Schooner Missing.

The schooner, which was seen off Fermeuse a few days ago in a disabled condition, having her foremast gone and helplessly drifting to sea, was reported up to last night and much anxiety is expressed for the safety of the craft and those on board. Capt. Kean, of the S. S. Portia which left here Sunday, kept a close look out for the schooner but saw no sign of her.

True Patriotism.

Editor Evening Telegram:
Dear Sir,—In passing to my office a few mornings ago my attention was drawn to a hand bill posted in a shop window which on examination I found to read about as follows:

"For Sale—Three carcasses of deer; proceeds for benefit of Red Cross Fund."
(Sgd.) F. W. WILLS."

I could not help pondering over this seemingly little but, in my eyes, exceedingly significant display of true patriotism and deep rooted loyalty to the great cause in which the British Empire is now engaged. Here is an instance of a man who has given his two fine sons to the Regiment, one of them having paid the Supreme Sacrifice, and the other nearly as bad—a prisoner in German hands. The father goes up country deer-hunting and is successful in obtaining the prescribed number allowed by law and forthwith he lays his "savory meat" like a true "Eaton" at the shrine of his nation.

Such actions as these are not in evidence in the case of the selfish man who places a commercial value on all his services, neither are they to be found in the inbred cowardice of the slacker who is satisfied to calmly look on while others do the fighting.

In doing what he has done Mr. Wills has shown a very commendable spirit and the Red Cross Fund will likely benefit to the extent of fifty or sixty dollars.

Yours truly,
H. F. FITZGERALD.

Our Dead.

Nothing is our own; we hold our treasures just a little while ere they are fled; One by one life robs us of our treasures; life robs us of

Nothing is ours except our dead. Nothing is ours except our dead.

They are ours, and held in faithful keeping; Safe forever, all they took away. 'Tis life that can never seize that

Only the dead hearts forsake us never; Love that to death's loyal care has

Is thus concentrated ours forever. And no change can rob us of our dead.

So, when fate comes to besiege our

Dim fair gold, or make our flowers

Death, the angel, comes in love and pity.

And to save our treasures, claims them all. —Exchange.

Schooners Safe.

A message was received last night in the city by Mr. W. J. Walsh, M.H.A., stating that the two schooners, belonging to Simon Hearn, of Riverhead, St. Mary's, and Parrot, of St. Joseph's, had arrived home all right. These two boats left St. John's with supplies about a week ago. They were caught out in the storm of last Friday and Saturday; consequently concern was felt for their safety. Concerning the craft reported off Fermeuse in a crippled state and alluded to in another column, Capt. Joe Kean, of the s.s. Prospero, has wired Minister of Marine Stone to the effect that the supposed missing schooner has turned up at Salmonier. It is now believed that the schooner seen off Fermeuse disabled was Hearn's. She, no doubt, felt the full force of the storm, but survived it, without a "feather out of her."

Girls! Have a Mass of Beautiful Hair, Soft, Glossy, Wavy

A small bottle destroys dandruff and doubles beauty of your hair.

Within ten minutes after an application of Danderine you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few week's use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter for a few cents and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all—you surely can have beautiful hair and lots of it if you will just try a little Danderine.

Most things can be anybody's Gift. Your Portrait is distinctly yours, exclusively yours. J. C. PARSONS, Bank of Montreal Building.—nov17,tf

An Abundance of Foodstuffs Here.

Notwithstanding the prevailing high prices, we have it from unquestionable authority that there are more foodstuffs of all kinds in St. John's at present than ever before at this particular time. We also learn that between now and the end of the year an unusually large quantity of flour, pork, beef and other necessities of life including coal, will be landed at this port. In view of this overstocking of the market, it will not be unreasonable for people to expect prices not to soar during the winter months, at least.

If you want a stylish, good-looking, well-made, Double-breasted Overcoat, with pleats and belt, call in and see our goods and get our prices. We can give you the best and latest. SPURRELL the Tailor, 365 Water St.—nov28,eod,tf
