### Parade Ground for Athletics.

Last night the Executive of the Amateur Athletic Association, consisting of President G. W. B. Ayre, Treasurer C. E. Hunt, Secretary E. Grace, with Mr. T. W. Sparke, representing the Football League; V.P. C. E. Jeffery and Secretary J. M. Tobin, of the Hockey League; President John B. Orr and Mr. F. V. Chessman, of the Baseballers attended at the City Hall, and were met by the members of the Municipal Council. The object of the meeting was to arrange for the handing over by the City of the Parade Ground to the Newfoundland Amateur Athletic Association. Mayor Morris welcomed the delegation and pointed out that provisions had been made in the Charter that this piece of property was to be reserved for the use of the city, either as a park or a public recreation ground. In closing, the Mayor said that after due deliberation and consideration and on the advice of Mr. E. Leo Carter, the Council's Solicitor, the Commission had unanimously decided to give the Association all the rights and powers which they possessed of the Parade Ground. President Ayre, on behalf of the A.A.A., thanked the Mayor and Councillors for the interest they had shown in the advancement of athletics. He said that he was authorized by the Association to meet the Council's generosity by offering two per cent. of the gate receipts so that the city will derive a revenue where to-day they derive none. A general discussion then ensued in which Councillors Peet, Vintombe, Jackman, Solicitor Carter and the various delegates took part. Treasurer C. E. Hunt, of the A.A.A., in a well-worded speech seconded the vote of thanks extended by President Ayre to the Mayor and Commissioners, which was carried with acclamation, after which the delegation withdrew.

### League Football.

B.I.S. 3-PELDIANS 0.

Last night's League football match between the Fildians and B.I.S. drew over 1500 spectators to St. George's Field. The ground was rather wet, which made the ball greasy, but nevertheless an exciting contest resulted. At 7.15 referee Churchill summoned the players and the B.I.S. winning the toss chose the east goal. Both teams immediately got down to business and play became general, the ball being taken from one territory to the other. Both goalies were given a couple of good ones, but nothing resulted. After 10 minutes play the Irish got into Fildian territory and a kick-up in front of the goal a penalty was awarded against the Fildians, and being placed by Walter Callahan, a goal was recorded. The ball being centered both teams got busy, the Fildians working like trojans to equalize matters. Several good chances to score brought on by "hard luck" shortly before half the B.I.S. got an opening and scored the second goal for the team. The features of the period were the splendid combination of both teams, the B.I.S. forward line making a particularly good showing.

### SECOND HALF.

During the second half a thick mist made it very unpleasant for both players and spectators, play nevertheless was lively from the start. Payne for the Fildians made a splendid attempt to score and Gibbs did likewise for the B.I.S. The ball was kept in play throughout the whole period, and about 10 minutes before time Burke got an opening and in a splendid dash from midfield, broke through the Fildian defence, and notched up No. 3 for his team. For the remainder of the half play was equally divided and when the final whistle sounded the score stood B.I.S. 3-Fildians 0.

The following is the standing of the teams:—

Teams	P	W	L	D	F	A	P
