**JUBILEE MEDAL—POINTS—OPEN TO ALL.**  
This fixture will be played in the afternoon and evening of Monday, February 19th. By way of experiment the committee has decided to adopt the following method of playing this game viz: A list will be posted in the club room and each player as he enters shall write his name thereon. As soon as ten names are on the list, these ten members shall draw for places and shall start to play using four rinks and shall continue until all the shots have been played. As soon as the first ten have finished the next ten on the list shall begin and so on until the list has been finished. By this method the committee hopes to eliminate the unsatisfactory waits which now occur between the various shots.
