The Royal Stores, Ltd.

The Sky is the Limit

AND THE COLORED ARTISTS ARE ON THEIR WAY.

This is just about what Messrs. Foster, Hawkes and Zabriskie, are accomplishing in the way of entertainment in this city to-day. The popular Star Theatre, which has been the scene of large audiences last evening and not one but fully two performances were well received. The programme was a treat. The musical numbers were well received and at both performances they were well received to respond to encores.

Messrs. Foster, Hawkes and Zabriskie have been voted the Star entertainers of the Star, and to sing to the honor of these entertainers is almost impossible. However, we must say that Mr. Foster's solo is a must, and he is said to be the best singer in the city. Last night's performance will be repeated this evening, and all who cannot obtain admission last evening should make an effort to be present this evening.

For to-morrow there is a big surprise from Mr. Foster, and it is going to be the hit of their repertoire. Don't miss it.
