## DRESS AND MANTLE MAKING

**The Fashionable West End.** To the Ladies: We have during the past two years contemplated the establishment of a Dress Making Department, in connection with our other branches. The difficulty of obtaining a suitable person to take charge, has up to the present time, only prevented us from doing so. We have now great pleasure in informing you that we have secured the services of Miss Morrison, of Toronto, a lady of first-class abilities, highly recommended to us, and we believe eminently qualified to give complete satisfaction in every respect. Miss Morrison has for the past ten years occupied the position of cutter and fitter in one of the leading Fashionable Dress Making Establishments in the City of Toronto. Miss Morrison is also an experienced Mantle maker, and all orders entrusted to her will be executed in a style equal to anything that can be obtained in the largest cities. Orders for these departments will be received on and after Monday next, the 4th of May. A. O. BUCHAN, Fashionable West End Dress, Mantle and Millinery Establishment. dw

**Guelph Evening Mercury** MONDAY EVENING, JUNE 23, 1873.

**Town and County News.** Our friend Mr. Hough intends to enlarge the Cobourg World in a week or two. Success to the World say we.

Mr. JOHN READING, of Guelph Township, last week sold a two year old Durham heifer to Mr. David Leahy, of Woolwich, for the sum of \$200.

**CATTLE FAIR.**—The Mount Forest Examiner says:—The usual monthly cattle fair was held here on Wednesday last. The attendance was much smaller than usual. No active demand existed for cattle, and few transactions took place.

The stage driver on the south end of the Guelph and Hamilton road left his pocket book the other morning on the train in Fitzgerald's Hotel, and on going back to his room shortly after found it was gone. It contained \$25. The thief has not been found.

**WESLEYAN CHURCH.**—The revival services in the Wesleyan Church, which closed last week, have been the means of adding about 140 persons to the membership of the church. Yesterday (Sunday) morning, Rev. Mr. Harper baptized 16 adults, who had given in their names as members on trial, but who had never been baptized.

**THE DROUGHT.**—Still no rain. On Sunday it made two bold attempts, but the showers refused to come. In Preston and the section surrounding there was a very heavy thunder storm on Sunday afternoon, and it rained heavy for two or three hours.

**SHOOTING MATCH.**—The return match between workmen in Raymond's Sewing Machine Factory and Crowe's Foundry came off on Saturday at the Rifle Range, and after a spirited contest Crowe's men beat their opponents by 8 points. This side have won in both matches, and may now be considered the "bulls eyes" and champions.

The *Expositor* local says:—"It is embarrassing to have one's hat blow off on the street, even when one is a man." We read that and then tried to make out what gender that "local" belonged to, but we give it up. A friend came in and read it, and innocently asked how many it generally took to make a man in Bradford? We didn't know, but thought if it took two or three a la Siamese twins, it would be "embarrassing." We take our seat for explanations.

**CENTRAL EXHIBITION.**—The Directors of the S. W. Agricultural Society met on Saturday, when the President, Mr. John Hobson, reported on behalf of the deputation sent to wait on the Governor-General, that he would be unable to open the Exhibition this year. Letters were read from the railway companies in reference to fares and rates for freight during Exhibition week. The Board then appointed the Judges to act at next Exhibition.

We're not a bit afraid of the Woman's Rights movement taking root. This is how it will be prevented:—Miss Alice Johnson, a young and lovely woman, started a barber shop in a Kansas village, and immediately all the ladies of the place presented their husbands, and their sweethearts if they didn't have any husbands, with razors and shaving mugs. Another lady started a photograph gallery at Racine, and the ladies of the town smashed her instruments because men, young and married, patronized her. So they go on abusing one another, and then rail at the men as the authors of all their troubles.

**THE PICNIC TOMORROW.**—The St. Joseph's Hospital Picnic comes off tomorrow on the Exhibition Grounds, and will no doubt be largely attended. The Committee have made great preparations for the day. Refreshments will be provided in the building, where a bazaar and concert will also be held. On the grounds there will be bowling alleys, games of various kinds, a base ball match between the champions and the juniors. Short addresses will be given some time in the afternoon. A vote for a cane to be presented to the most popular man in Guelph will take place in the afternoon, and a clock, several drawings and a tea set will be raffled for. Altogether there will be a big day on the 24th.

**THROWING STONES.**—At noon to-day some boys, just out of the West Ward School, commenced throwing stones, one of which struck a small boy on the back of the head, raising a lump nearly half the size of an egg. A vigorous application of the cat-o-nine-tails to the backs of the young delinquents might have a salutary effect in putting a stop to this pernicious practice.

TERMINAL.—The Paisley Advocate says:—On Saturday last, a child of Mr. Donald Currie, of Elderslie, climbed up to a stove in which a fire had just been lighted. Out of twenty-two prisoners confined in the Winnipeg Penitentiary eighteen are foreigners, a fact which speaks well for the law-abiding character of the native population, and also shows that the gang of American rowdies who came into the Province thinking they could do as they pleased, has been broken up effectually.

The Mennonite delegates are in Winnipeg, and are much pleased with the country. The American emigration agents have followed them into the Province, and on their way all kinds of inducements were offered to them if they would remain in Minnesota, the Americans feeling pretty certain that if they once saw Manitoba they would have nothing to do with Minnesota or Dakotah.

FIRE AT HAWKSVILLE.—At about 11 o'clock on Saturday night last a dwelling house belonging to Mr. C. K. Welliver, saddler, at Hawksville, was destroyed by fire. They plead that the assessment roll this year is \$300,000 less than last year, and that as the whole debt is now \$365,944 85 it will be impossible to pay the interest due at midsummer, and ask for delay.

SERIOUS FIRE IN NOWWON.—A fire broke out on Saturday in the upper part of Elliott's store, occupied as a dwelling, which destroyed his store, Thomas Fraser's tin shop, and McVar's grocery and provision store. FINNISH.—The Peterboro' Review learns on good authority, that a hired man of Mr. Alex'r. Cathcart, of Cayn, while in a state of intoxication last Sunday in Cavanville, was met by one or two other persons, who had previously procured a bottle of spirits of turpentine, poured it over his head and shoulders, saturating his clothes and head; they then struck a match and deliberately set the poor unfortunate on fire—making a blaze as large as a flour barrel. They then attempted to extinguish the fire, and in doing so one of the two got his hands severely burned.

## OUT-SIDE SPORTS.

**BASE BALL.** A match came off on the cricket grounds, Toronto, on Saturday afternoon, between the Maple Leaf Club of Guelph and the Dauntless of Toronto. There were about 500 spectators on the ground. There was nothing remarkable in the play on either side, except the batting of the Guelph Champions, which was very superior. The game was dragged out to an unusual length, which was mainly the fault of the Toronto men. As will be seen by the score the Champions handily whipped their opponents, although this year they have two or three new crack players in their club, among whom is McLean, late of the Guelph Club. The following is the score:—

The Atlantic and Washington clubs played their third game on the same afternoon in Washington, which resulted in a tie of 18 runs each. Owing to some misunderstanding the game was not continued, and both sides left the field.

A game was played in Brampton on Saturday, between the Aston and local clubs, which resulted in a victory for Brampton.

The Preston Union and the Galt Athletics tried their hand at base ball on Saturday in Galt, in which the Athletics were victorious by about 25 runs.

"Who's coming on the first?" was asked on the streets to-day. About time now something was done. We must have either a base ball match or an Excursion to the Falls or Toronto.

Somebody said the Brewers and Bardeners were to play this afternoon. The Printers and Shoemakers are also on the green.

A match between the men in Inglis & Hunter's Foundry, and an equal number from the Guelph Sewing Machine Factory, came off on Saturday afternoon, when the latter made 28 runs to the former's 14.
