TEMPERANCE MEETING WAS NOT A HARMONIOUS ONE

The delegates differ as to what
Party Should Go After.

**Mr. Daly Says Things Which
Are Contradicted.**

**Liquor Traffic Declared To Be the
Crying Evil of the Day—Plan of
Campaign.**

Two sessions called by the East Mid-
dlessex Prohibition Association were
held in this city yesterday. In the af-
ternoon the Y. M. C. A. was the place
of meeting, and in the evening at
the Y. W. C. A. in Somerset Hall.

At the evening session, when the
proposed platform of the Ontario Tem-
perance Alliance was submitted, a warm
discussion resulted, which showed that
harmony does not always reign in the
ranks of the temperance people, and it
is quite possible several factions may
develop.

The transaction of routine business
took up most of the time at the after-
noon session.

Rev. Abraham, a well-known worker
from Toronto, delivered an address in
which he set forth the advisability of
establishing a voters' league in this
city, which he discussed at length, but
no action was taken.

OFFICERS ELECTED.
The election of officers resulted as
follows: President, Thomas Daly, of
South London; secretary, Rev. H. D.
Moyer, Lambeth; treasurer, Rev. H.
D. Moyer, Lambeth; executive com-
mittee, London township, Messrs. Grant,
Patt, T. B. Scott and J. Nicholson; Essex
township, Messrs. Grant, Patt, T. B. Scott
and J. Nicholson; Niagara, Rev. Mr. St.
John; and Ontario, Messrs. Grant, Patt,
T. B. Scott and J. Nicholson.

The opening of the evening meeting
witnessed a small gathering. Rev. D.
S. Hamilton, of the First Congrega-
tional church, was the featured speaker.
Rev. A. K. Birks opened the meeting
with prayer.

Rev. Mr. Abraham was the first
speaker. He said that the Ontario Al-
liance had inaugurated a plan for
the abolishing of the liquor traffic in
this city, which they thought would
meet with general approval among
temperance workers. The time had
long gone by when apologies had to be
made for speaking on the subject, and
now it was only a question of how long
the evil should stay. The old motto
"Abolish the bars and protect the boys,"
they were endeavoring to put
into practice. Bars were a social, eco-
nomic, intellectual and religious bur-
den to the country. Religion and edu-
cation tried to create higher ideals, but
the barroom had a detrimental effect.
The speaker pointed out the great
amounts of money expended yearly for
liquor.

LIQUOR EXPENDITURE.
In London a large sum was expend-
ed yearly on this, a hindrance to the
accumulation of wealth. No good
return was given for any money ex-
pended on liquor and consequently the
wealth of the country decreased.

The church should strive to surround
the liquor traffic with a moral influ-
ence, and the influence of the state
should be brought to bear on the
liquor traffic. The speaker pointed out
the great amount of money expended
yearly for liquor.
