SOLVES A VEXING PROBLEM Relieves American Government

Necessity for Insulting the

Washington, D. C., June 26.-China

Chinese Empire.

Will Forbid Immigration of

Laborers Into U. S.

INTO OWN HANDS

CHINA TAKES LAW

is about to take the question of Mongolian immigration to the United States into her own hands. Within a few weeks the Empress Dowager will publish an edict forbidding Chinamen of the laboring class making an attempt to come to this country. It is one of the most important re forms which that Government ever active in ascertaining the purposes and has considered. It means not only an work of the association, and has called mprovement in the relations of China and the United States through the removal of many irritating questions involved in the proceedings of reformbut the assertion on the part of the ers in the United States. Celestial Empire of independent sover- Government has been unable to preeignty and of its purpose to prevent the insult and humiliation of its people.

This attitude is one of the results of

Russians, as Chinamen now are im-

bued with the belief that they as well

as the Japanese are the equals of the

white race. Information of the solution which the Chinese Government has been evolving to the serious immigration question has reached the President, and if the edict is issued at once it will have undoubtedly a big influence upon the policy he will adopt in connection with the matter of exclusion The President explained recently to members of the American Asiatic Association and Southern Cotton Manufacturers he did not believe in the harsh methods employed by immigration inspectors in the enforcement of the law, and Secretary Metcalf stated that these officers sought to be cour-

teous and decent, but the methods applied were those fixed by law and up-Secretary Taft in a speech a few days ago made it clear that the policy apeake, stands the vacation house of the administration is in the direction of leniency, and that such a policy is necessary in order that no harm be done American trading in-

goods is spreading in China. adopted read, "until terms are pro-posed and the treaty modified and town of St. Peters. made to meet the requirements of jus-tice." The Chinese have been informed and from his commanding bluff he that clauses in the proposed treaty are even more severe than in the old river, and demand tribute for the viceone, which expired last December. The regal Government. St. Mary's itself, restrictions imposed by the latter re-ferred to the laboring class alone, while ing the Calverts and their vanished those proposed will include Chinese of palatinate, lies six or eight miles up the

American territory. When Mr. Rockhill, minister of the The Jesuits could hardly have United States to China, left Washington in April he carried a draft of the treaty-merchants, students, travelers, the Potomac is St. Clement's Bay.

that negotiations should be conducted moreland County, Va., a region where here by Sir Chentung Liang Cheng, one of the commonent family names one of the most capable diplomats ac-credited to the United States. He was, little old Leonardtown, the county seat familiar with the conditions in this of St. Mary's, is a Catholic school. The country, and had been collecting a very negroes who fish the waters and mass of information which would have work the farms are Catholics, as were been valuable in enabling him to pre- their slave ancestors for generations. sent the case from the point of view

of his nation. The result of the decision that Mr. Rockhill should carry on the negotiaions was that he found Wai Wu Pu, of the Chinese foreign office, averse to buildings of a neighboring county town making any concessions or meeting were burned some years ago Baltimore im half way. It became necessary to was four days in learning the news

en signed. It is stated, further, that no treaty under the most favorable conditions more and Washington. The nearest until China ascertains what the future wharf is two miles by water, and a o be. This policy will be determined Creek. luring the coming session of Congress

President in his forthcoming annual message. From every point of view, it is stathe necessity of adopting legislation for St. Inigo's Creek, and enables the exclusion of this class, which in ers from the retreat to make Baltimore
