ABIE'S IRISH ROSE IS DEEP SPRING OF WHOLESOME JOY

Play At Majestic Reveals Mysterious Power To Delight Everyone.

IS CLEVERLY WRITTEN

By way of a commencement, we wish to lodge a protest. With all due deference to the eminent Englishman, who passed through here some weeks and referred disdainfully to "Abie's Irish Rose," admitting, of course, that it was establishing a record the meanwhile in the good city of Toronto, we humbly beg to disagree. Anything which can so successfully lift an audience into a mood with itself and so entirely out of their own world, be it either joy or sorrow, as did Anne Nichols' comedy, "Abie's Irish Rose," deserves not only praise but awe and wonderment from anyone.

The spectacular success of this play by an utterly unknown writer a play, great surprise to its author that it was almost a shock, very naturally took the theatrical world and the critical world by stars. indeed, whose success was such a critical world by storm.

Has Deep Secrets.

They sough t to probe it, to find depths in its obvious clarity. But, oh, why, they asked, should anyone laugh at this conglomeration of Bronx life, and the ancient rivalry of Jew and Irishman? And still more, why should the audience be moved to tears at the sight of two old grand parents being brought together by their grandchildren? Surely, "a little child shall lead them" had been worked to death!

As a matter of fact, there is some-thing in all this questioning. "Abie's o" on the surface is just the amusing tale of what happened when a Solomon and a Patrick met in con-flict. But, whether unconsciously or not, under the smooth comedy of the flow the pure stream of a theme a step was considered necessary by which is admittedly the greatest in provincial authorities.

the world today. No audience was ever given ar evening of greater amusement than were those who saw "Abie's Irish at the Majestic last night, the first performance of a week's run And also, no better sermon for tolerance and general good-will was ever preached than that which subtly clings about every line and every act of the comedy.

will be filled for the rest of the week "Abie's Irish Rose" has been writ-ten with consummate skill. If one prefers to see nothing but comedy, to think of nothing by having a good laugh, it is quite possible. No good laugh, it is quite possible. No better comedy was ever penned. And there is this additional feature: it isn't a play which sets one off into gales of laughter, and then proceeds into a stodgy period. Rath teep one engaged in a gentle chuckle sed with a frantic desire to stop and have a real laugh, but too very much occupied with not missing For breathing spaces there have been placed at the surest intervals brief moments of sadness, which serve merely to give shadow to the lightness of a deft play.

False Modesty Wrecks Health

THE young lady just assuming the responsibilities of a woman is very apt to be self-conscious of her physical functions, and in consequence neglect them. There is no time, however, when it is more important for her to look after them. Chief among her troubles is constipation, and her suffering will be serious when she gets older if she does not regulate her bowels now. Mrs. J. Charbonneau, 3410 Adam, Montreal, recommends Dr. Caldwell's Laxative Syrup Pepsin to all her friends, and Mrs. Henry Joyce, Croton, Ont. says it is the best remedy for constipation she ever used. on she ever used.

Safe for Young and Old

Let mothers with growing daughters interest themselves in this matter and see that their judgment is enforced. A rule followed by many is to take a spoonful of Dr. Caldwell's Laxative Syrup Pepsin once a week until the bowels function daily, and at such other times as there is headache, billiousness, sores and fever blisters, lack of energy and appetite, sleeplessness, in digestion.
