Win by Saving!

Wherever you go you find attractive homes. Artistically arranged flowers and shrubbery add to the beauty of the surroundings. Perhaps there's a garage alongside with the family car in readiness for a healthgiving spin.

Homes, automobiles and pleasant surroundings -like all other worthwhile things-cost money.

The way to get them is to save for them. folk who save for a purpose invariably make the greatest headway.

In a surprisingly short time they find within their reach many good things which add to their pleasure and comfort.

Why not start a Savings Account with The "Old Huron & Erie" and save for a home, an automobile or an income-increasing investment?

The Desley Sisters sing and dance to the delight of everyone in the audience. When they first appear they look to be straight from the "Music Box Revue." They come on again as little Dutch maidens and then the last time they appear they are dressed as little girl and boy and sing songs that recall the days of barefoot times.

Mills and Smith are two old boys straight from the country. They cannot forget the girls, and between not forget the girls, and between them they bring laughter from all parts of the house. To finish off the act they stage a little dance which proves they shake nimble feet.

Although the greater proportion of spectators had seen "Uncle Tom's Cabin" several times in the past, the rare talent exhibited by Gus Collins, who took the leding role. Joe Franklin as Simon Legree, and Baby Lillian as Little Eva, gave a refreshing charm that seemed almost to stamp the production with the quality of newness. All of the principals are trained actors, and each impersonation was exceptionally well done.

Guard Your Mouth

Let WRIGLEY'S be the guardian of your mouth and throat.

It will combat trouble of various kinds. It helps to keep the teeth free from food particles that ferment and cause decay.

It has an antiseptic effect. It relieves acid mouth and thus not only prevents harm to the teeth, but serves to sweeten the stomach.

It stimulates digestion and helps to prevent the forming of gas that causes dyspepsia.

Read, from a widely known medical work:

"Chewing gum aids tooth nutrition and the cleansing action is a definite benefit - it prevents dyspepsia. Good chewing gum is excellent for bad digestion."
