

## THAT AWFUL BACKACHE

Cured by Lydia E. Pinkham's Vegetable Compound

Morton's Gap, Kentucky.—"I suffered two years with female disorders, my health was very bad and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sensations I could hardly bear it. I had soreness in each side, could not stand tight clothing, and was irregular. I was completely run down. On advice I took Lydia E. Pinkham's Vegetable Compound and Liver Pills and am enjoying good health. It is now more than two years and I have not had an ache or pain since I do all my own work, washing and everything, and never have the backache any more. I think your medicine is grand and I praise it to all my neighbors. If you think my testimony will help others you may publish it."—Mrs. OLLIE WOODALL, Morton's Gap, Kentucky.

Backache is a symptom of organic weakness or derangement. If you have backache don't neglect it. To get permanent relief you must reach the root of the trouble. Nothing we know of will do this so surely as Lydia E. Pinkham's Compound.

Write to Mrs. Pinkham, at Lynn, Mass., for special advice. Your letter will be absolutely confidential, and the advice free.

#### A Fair Criticism.

With some discontent an English carpenter looked the other day upon a broken typewriter desk which is alleged to be of oak. The extension-drop had come apart. It seemed to be split inside, for the outward appearance was as fair as ever. But the drop hung with an intoxicated slant, defying the amateur, pottering about with a hammer and a screw-driver. It required expert attendance—a specialist, alike for diagnosis and cure. So came the English carpenter. He looked at the desk for a

few minutes, then he said: "It's veneered,—like so many other things. The ground wood is not good enough to carry the top sheet of oak." The carpenter did not seem cheerful—on the contrary. He sighed, "Canada is the worst place for veneering I ever saw. Nothing is honestly made."

The indictment would be a stern one, even if it applied only to furniture. No one will deny that immense quantities of very ordinary stuff are manufactured—not because people are fond of it, but because they want to get furniture of fine appearance at a low price. Veneering is the remedy. A thin slice of oak is glued to a thick slice of basswood and the thing is done. This is not an attack on the furniture industry. Our manufacturers produce much goods of the highest quality, massive and honest in every joint. People of taste buy them. The rest of us get furniture that looks all right, and think that we have a bargain. We all seem to forget that we get what we pay for—no more, no less.

But veneer is used elsewhere. We have too many men in political and social life, who are not so good as they look. A cross-section would give the secret away. They are smooth in their appearance, but they do not wear. Time shows the defect. Our political annals are filled with the stories of men who tried to make polish stand for merit. They always failed. The parliamentarian who seeks self-aggrandisement instead of the safety of the country, is a veneered person who cannot be grateful to people of good taste.

In like manner the extravagant wealthy are of bargain quality. They imagine that the outward appearance makes the gentleman. But the rough diamond is of far greater

#### Boy Scouts to Coronation.

Boy Scouts from the Overseas Dominions will have official standing in the Coronation procession, although provision had not at first been made for them. How detachments are to get to the old country and who is to pay the expenses of the trip is another question. The Canadian Century of Montreal is sending a squad of twenty, the boys to be drawn from all parts of Canada and it is not unlikely that Colonel Sherwood and the Dominion Council will arrange to send a second squad. The Century party will sail on the Empress of Ireland with the Canadian Coronation Contingent of Canada's official delegation and will travel like real soldiers under transport of war conditions.

#### SURE SIGNS Of Kidney Trouble.

If your back is constantly aching and if you experience dull shooting pains, your kidneys are out of order. If your urine is thick and cloudy or your passages frequent scanty and painful, your kidneys and bladder are out of order. Neglect quickly brings on rheumatism, diabetes, lumbago, sciatica, etc.

Mrs. Wagner of 110, Hollis St., Halifax, N. S., says: "Dull shooting pains would catch me across the small part of the back and extend into my shoulders and neck, often causing me to suffer from severe spells of dizziness. Spots would dazzle before my eyes and everything would turn black. I would fall to the floor and be unable to get up again without assistance. A friend told me of Booth's Kidney Pills and I began their use. The first box gave me relief and I am now well and strong."

All druggists sell Booth's Kidney Pills at 50c a box with a guarantee to relieve or your money back. They are the world's greatest specific for kidney and bladder trouble. Postpaid from the proprietors, The R. T. Booth Co., Ltd., Fort Erie. Sold and guaranteed by T. B. Taylor & Sons.

Mayor Henderson, of Sarnia, has called a meeting of all the Georges of Sarnia for Tuesday evening at the council chamber for the purpose of organizing so as to be able to get subscriptions for the fund to buy a present for King George from all the Georges in Canada.

IGNORANCE IS A CURSE.—"Know thyself is a good admonition, whether referring to one's physical condition or moral tabitudes. The man who is acquainted with himself will know how to act when any disarrangement in his system manifests itself. Dr. Thomas' Electric Oil is a cheap and simple medicine for the eradication of pain from the system and for the cure of all bronchial troubles."

Frank Slater, Leamington, is the owner of some interesting Masonic relics, being an apron worn by Masons of high degree, with certificates of initiation, etc. The papers were given to his grandfather Aaron Brown, in 1804. They were carefully preserved by his daughter, Mrs. Slater, and at her death were handed over to the present owner, her son. Aaron Brown was a brother of the late George Brown, the leading statesman of his day.

#### The Children's Hair

A Little Extra Care Now May Save After Years of Regret

Children play so hard that the head perspires and the hair has a tendency to mat and get sticky on the scalp. Soap and water doesn't seem to remove it, but the hair must breathe to be healthy. Just try Nyal's Hirsutone. Rub it into the roots of the hair with the balls of the fingers. The children like it and will ask you to use it. Hirsutone loosens up the accumulated dust and perspiration and the hair and scalp can then be easily and thoroughly cleaned. After it is dried give another application of Hirsutone. After you have used it for a while you will admit it is the best you have ever used. Your Nyal Drug Store will cheerfully guarantee Hirsutone to do all that is claimed for it.

#### PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the sewers of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and frequently sores break out over the body. The way to heal them, as Mr. Richard Wilson, who lives near London, Ont., found, is to purify the blood. He writes:

"For some time I had been in a low, depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicine for the blood and used many kinds of ointments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some medicine that would accomplish this."

At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always have a place in my home and are looked upon as the family remedy."

Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c a box.

#### Dairy Wisdom.

"More dairy cows, better feed and more butter fat" is a good motto for every farmer.

When one takes into consideration the difficulty in buying satisfactory cows there is little question that under nearly all conditions it pays to raise well bred heifers as a basis for maintenance and improvement of the dairy herd.

The cow eats to-day and she pays for her feed at to-night's milking. No other farm animal gives such prompt return for feed and labor. That is one reason why a herd of dairy cows should be on every farm.

Your winter cow is always the most profitable, and it must be remembered that she needs the best of care in order to yield most liberally.

Alfalfa and clover are the best dry feeds there are for a cow. Timothy hay is splendid to sell.

The dairy cow is the foundation of all soil improvement and farm property, and no other line of farming is so well adapted to the development of the highest manhood and citizenship.
