AFFAIRS IN IRELAND.

The Castlebar tragedy, whether or not is has proceeded directly from the land agitation, is likely bloody protests against the prevailing conditions of land tenure.

The landlords hold in their hands a very simple solution of the difficulty—much simpler than the creation of small freehold farms with security of tenure—their own residence in Ireland for at least a partition of the year. Any one will be seen the roof the year. Any one will be a made more than a fiving lab.
