ENJOYING LIBERTY

Pomona Boy Sleeps in Grand Palace
After 4th of July Celebration En-
joyed in Paris.

[From the Pomona, Cal., Bull-
tin] Mr. and Mrs. E. A. Dodge, 129
East Kingsley Avenue, have received
communications from their son, Cor-
poral Milton Dodge, now with Com-
pany I, 58th Regulars. He was
transferred in the spring from Camp
Lewis to Camp Mills, Long Island, and
sent to France. His division, the 4th,
has been in the hot fighting on the
Marne front during the past month.
While at Camp Lewis, Corporal
Dodge made some enviable records
as marksman. In one exercise, the
soldier is required to lie prostrate on
the ground, then rise quickly and
fire his rifle. Corporal Dodge made
10 bull's eyes straight in this test,
and he also made 146 out of a possi-
ble 150 in another.

Parts of the letters to his parents
are given for the benefit of his many
friends in this city:
"Somewhere in France, July 5.
"Did you think your son would ever
parade in Paris? Well, I have, we
were given liberty for 18 hours, an
afternoon and a night. We were com-
plimented on our showing in the par-
ade as well as on our conduct after-
ward. I saw several famous things
which I had never expected to see.
We were billeted in the Grand Palace,
which building has quite a beautiful
exterior. The room is all of glass
and the building is quite large. There
are about two acres in the ground en-
closed.

GIVEN LIBERTY
"When we were given liberty, three
of us boys started out to 'see Paris.'
We first crossed the great bridge at
Alexandre III, and went to the court
or Place de Invalides. In the court
there was a lot of captured German
artillery on exhibition—everything
from a trench mortar to the large
guns. There were several pieces of
Zeppelins, including two 240 h. p.
motors. These motors spin around
at 1400 revolutions per minute. There
were five airplanes and a machine
flown by the late Captain Guymunyer,
in which he brought down 19 German
planes. This last mentioned ma-
chine was fenced off so that no one
could touch it.

We went through a large part of
the museum. In it were uniforms of

all kinds, swords, guns and other
articles of war. In another place were
pieces of armor—I had better say
complete suits of armor. We did not
see Napoleon's tomb, but went to the
cathedral of Notre Dame.

BEAUTIFUL FRANCE
"We are now in a beautiful part of
France. The average Frenchman has
the American Jew beaten a mile. I
can get along very well with them.
Gave a man 'bon jour monsieur,' the
other evening, and he talked a streak
at me a mile long. Had to tell him
that I could not understand French.
It turned out that he was asking me
if I had a fountain pen to sell. They
go like hot cakes here.
"I have had a couple of swell feeds
lately, that we boys got up by our-
selves. We found a place where there
was a large unused range. We had
fried eggs, milk, chocolate, French
fried potatoes, etc. Next time we had
potatoes, cheese, eggs and stewed
rhubarb. Soon after we had a regu-
lar feast. Here is the menu: Choc-
olate made with milk, fried eggs,
French fried potatoes, French toast,
cheese, jam, sugar, stewed rhubarb.
I put egg in the chocolate and it
turned out to be a sort of chocolate
pudding, from which we drained the
water and ate the next morning.
Why doesn't egg make a pudding of
coffee?"

NO LIGHTS
"You asked what time the lights
had to be put out. There is no time,
for we have no lights but the sun and
moon. It is high here until 10
o'clock. At nine o'clock we can read
very well without straining the eyes.
My watch stopped one day and I
broke it all up to get some parts to
make a Ford. So I don't know the
time even through the day.
"We had pay day recently. I drew
191 francs—you see we were paid in
French money. The French people
are very courteous and pleasant.
While in Paris the officers were quite
willing and seemed pleased to show
us everything we asked about.

Mrs. Mary Blanchard, of this town.]

WOMAN HURT SAVING CHILD

Ella M. Durling Struck by Auto While
Leaving Electric Car

While alighting from a Bay State
electric car on Groveland street, near
Haverhill, early Saturday evening,
Miss Ella M. Durling was struck by
an auto driven by Alfred G. Laren-
deau, of Baltimore, Md.

Miss Durling resides with her aunt,
Mrs. Carl Davis, 61 Haverhill street,
and was accompanied by the 'small
daughter of Mr. and Mrs. Davis, who
had run to the sidewalk and was re-
turning when Miss Durling saw her
danger and in saving the little girl
received the blow herself.

She was carried to her home by H.
G. Ramsdell and the driver of the
car, and Dr. Nettie and Dr. Armitage
were summoned. They found several
of the small bones in her right hand
fractured, her knees badly cut and
her body terribly bruised. Yesterday
she was suffering considerable pain
and was unable to turn her head.

Upon reaching her home and con-
sciousness returned, her first question
was if the little girl was safe.
[Miss Durling is a daughter of Mr.
Joseph Durling, Neaves Road, Dal-
housie.]

WOMEN TORTURED!

Suffer Terribly With Corns Because of
High Heels, But Why Care Now.

Women wear high heels which bac-
kile up their toes and they suffer ter-
ribly from corns. Women then pro-
ceed to trim these pests, seeking re-
lief, but they hardly realize the ter-
rible danger from infection, says a
Cincinnati authority.

Corns can easily be lifted out with
the fingers if you will get from any
drug store a quarter of an ounce of a
drug called freezone. This is suffi-
cient to remove every hard or soft
corn or callus from one's feet. You
simply apply a few drops directly upon
the tender, aching corn or callus. The
soreness is relieved at once and soon
the entire corn or callus, root and all,
lifts out without one particle of pain.

This freezone is a sticky substance
which dries in a moment. It just
shrivels up the corn without inflaming
or even irritating the surrounding
tissue or skin. Tell your wife about
this.
