FREE OF TERRIBLE
KIDNEY TROUBLE

After Three Years of Suffering,
"FRUIT-A-TIVES" Brought Relief

MADAME HORMIDAS FOISY

624 Champlain St., Montreal.
For three years, I was ill and
exhausted and I suffered constantly
from Kidney Trouble and Liver Disease.
My health was miserable and
nothing in the way of medicine did
me any good. Then I started to use
'Fruit-a-tives' and the effect was
remarkable.
I began to improve immediately
and this wonderful fruit medicine entirely
restored me to health. All the old pains,
headaches, indigestion and constipation
were relieved and once more
I was well.
To all who suffer from Indigestion,
Constipation, Rheumatic Pains or
great Fatigue, I advise the use of
'Fruit-a-tives.'

A PECULIAR AFFAIR

(Yarmouth Light)
To show the odd predicament the
children sometimes will get into a
peculiar instance has come to the
attention of the light. Recently a
child living in one of
our suburbs, was playing with a
granite-wear bean crock and in some
manner pulled it on over its head. As
it was impossible to remove the dish
from the child's head one of our
leading physicians was called in.
chloroform was administered and the
article sawed off.

Gasoline sold for 6 cents a gal-
lon in 1908.

DEEP BROOK

Mr. G. L. Benson was in the village
on Saturday.
Several new fish weirs are to be
put up this spring.
Mr. Harry Nichols spent a few days
last week in Halifax.

W. W. Henshaw and R. V. Dittmars
are building this spring.
R. E. Peltus, of Lawrencetown,
was in the village last week.

Mr. E. V. Hutchinson left on Mon-
day last for Moncton, N. B.
Miss Edna Wade, after spending
the Easter holidays at her home in
Granville Ferry, returned to school
on Monday last.

Miss Clara M. Sullis is spending a
few days with her sister, Mrs. B. C.
Clarke, of Bear River.
Miss E. A. McClelland spent Monday
and Tuesday of last week with
friends in Bridgetown.

Miss Ethel Purdy who is teaching
in Victoria, is home for a few days
on account of sickness in her school.

Mr. and Mrs. Willard Apt are
spending a few weeks the guests
of Capt and Mrs. Roland Henshaw.

Edward Purdy, of Sackville, N. B.,
is spending a few days here the
guest of his aunt, Mrs. Hattie Purdy.

Mr. Lovett FitzRandolph, of Round
Hill, spent a few days last week the
guest of Mr. and Mrs. Frank Ruggles.

Miss May Ruggles, of Port Louisa,
who was home for the Easter holidays
returned to her school on Monday
last.

Mr. Robert Lingley who has been
spending the winter with Curtis
Henshaw returned to his home on
Thursday.

Mr. Wm G. Purdy, who for the past
few months has been in Aylesford,
has returned home and is at his old
stand here.

Charming is not very brisk this
week on account of the high winds
and cold-weather. Mr. Thurber, of
Freeport, has taken one load from
here and one from Port Wade.

Mrs. H. S. Yroom was called to
Boston on Saturday on account of
the illness of the family. Just re-
covering from a severe attack of the
flu they got a nice mixture of scarlet
fever and measles. The latest reports
are that they are doing nicely.

R. Allen Purdy, of Halifax, spent
a few days in the village the guest
of his uncle Capt J. D. Purdy. Mr.
Purdy is on the look out for a site
for an up to date garage and machine
shop. We hope that Mr. Purdy will
be successful in procuring a site and
with other buildings going up this
spring Deep Brook will present quite
a busy aspect.

Mr. Lee Long recently purchased
a find motor boat from parties on
the Bay Shore. This boat which is
one of the famous torpedo stern
shape made a record trip down the
bay and entered Digby Gap without a
miss from the engine. This was after
laying up all winter. Lee is
well satisfied with his purchase and
is already building air castles for
the summer months.

CARPENTERS' STRIKE

Were Endeavouring to Add to the High
Cost of Living

The Yarmouth Light says: A
number of carpenters of the town
lately struck for an increase in pay
of 25 per cent beginning April 1st.
As the increase was not forthcoming
they quit work this morning. The
number of them who were seen stand-
ing near the post office has gradually
 dwindled and we believe the men
are returning to work at the
wage.

FAREWELL PARTY

(Wyndmere Pioneer)
An enjoyable affair was the fare-
well party given in the I. O. O. F.
hall last Saturday evening, under
the auspices of the local R. N. A.
camp. The two ladies, Mrs. W.
H. Cowham and Mrs. C. H. C.
Ruffee, in whose honor the party
was given, were escorted to the
lodge room at nine o'clock. From
that time until midnight, when a
delicious supper was served, the
time passed quickly. Good old-
fashioned games were revived,
causing much excitement and merriment.

Mesdames Cowham and Ruffee
were each presented with a
nice Pyrex baking dish.
Mrs. Ruffee and family have
already left for Whapeton, their
future home, and Mrs. Cowham
will soon join her husband in Idaho,
where they will reside.

The good wishes of the com-
munity go with the two families.

THE DRAWBACKS OF LONGEVITY

(The Outlook)

Extreme longevity has its draw-
backs. An English paper reminds us
of this fact by quoting the story of
Janos Mergessi, a Hungarian, who,
at the age of eighty-four, was ar-
rested for attempting suicide by jump-
ing off a bridge at Budapest into
the Danube. Janos, in explanation
of his attempt to end his life, ex-
plained that he was the sole support
of his father and mother, and that
the burden of caring for them was
becoming too great for him. They
were aged 115 and 110 respectively
he stated. The story goes that the
statement proved to be true, and
that a public subscription for the
three was started, which placed
them above want.

All that was left of Canada's ex-
peditionary force passed into history
on April 1st, and nothing but its
glorious traditions remain. Only a
few hundred men remained in service
and these were officially transferred
to the permanent militia forces.

LITTLE WOMAN HAS
GAINED 15 POUNDS

Is Wonderfully Helped By Tanlac—
Son Also Benefited

"From this time on my faith is
planned to Tanlac," said Mrs. Florence
McCartney, wife of Wm. J. McCartney,
suite 1 Burrows Apartments, 231
Salter Street, Winnipeg, "for four
bottles of the medicine has really and
truly made me feel like a new
person.

"Why, at the time I began taking
it," she explained, "I weighed only
ninety-five pounds and I now weigh
one hundred and ten making an
actual gain of fifteen pounds. Some-
thing over a year ago I began
suffering from indigestion and grad-
ually losing strength and vitality. I
soon found myself unable to keep up
and look after my house work as I
had been doing. I kept rocking along
without doing anything for myself
until my condition became serious.
Then I went under treatment and be-
fore long they had to take me to
a sanatorium where I stayed for three
months and came out feeling just
about as bad as when I went. I
simply had no appetite at all and
what I did eat would ferment and
make me miserable. My stomach
was in such a bad condition that I
was forced to live entirely on liquid
foods and a little brown bread. I
was as nervous as a witch, suffered
all the time with headache, and was
so weak I could hardly move a chair
and had to hire some one to do every
bit of my housework. I would often
be awake all night long, tossing and
rolling, not getting a wink of sleep.

"After seeing Tanlac so highly re-
commended, my husband persuaded
me into trying it, and now I just
feel like telling everybody what it
has done for me. I can eat just
anything now and never have a pain
or an uncomfortable feeling after-
wards and my appetite is so good that
I can hardly eat enough to satisfy
it. My nerves have gotten back to
a thoroughly strong and normal
condition and I never have a head-
ache, and my sleep is so sound and
refreshing that I get up in the morn-
ings feeling as cheerful and happy as
can be. I have let the hired woman
go and am doing every bit of house-
work without the least trouble. I
weigh more since taking Tanlac than
I ever did before. Tanlac has helped
me so much that I am now giving
it to one of my little boys. He has
been sick and weak all his life and
had gotten so frail that we even had
to take him out of school. I believe
Tanlac is going to make a strong,
healthy boy of him, for he has already
improved so much that he is able to
attend school every day. I certainly
have just cause to praise Tanlac and
never hesitate to recommend it every
opportunity I have, and I believe my
husband is just as enthusiastic about
it as I am, if not more so."

Tanlac is sold in Bridgetown by
S. N. Ware and in Middleton by
Chford A. Mumford and in Bear
River by L. V. Harris.

The first lamb of the season was
presented this year to J. E. Robbins
of Clementsport, on Feb. 28. Being
a black ewe he intends to keep it
for the sake of adding black wool to
his flock. Last year the first lamb
he had was sold on June 3rd for \$10
and was said to be the first spring
lamb in this market when dressed but
it was not then as old as this one.
