Dr. Foote's Photograph.

WE have had from time to time for several years applications for photographs of Dr. Foote, Sr. But the Doctor has been so busy that it has been difficult to keep him still long enough to photograph him. The clever artist RAY D. CHAPMAN of Eighth Avenue lately succeeded in holding him in the sitter's chair for a few minutes, and a fine picture. 'ABINET' SIZE, bevel edges, is now offered at the low price of 25 cents by mail, postage prepaid. Orders promptly filled by the MURRAY HILL PUBLISHING COMPANY, 129 East 28th Street, New York City, N. Y.
