

STANLEY GIBBONS, Limited, n

HAVE PLEASURE IN ANNOUNCING THAT A

NEW EDITION (the tenth) OF THEIR PRICED CATALOGUE

Is in the press and will be ready about JULY

Canadian Collectors can secure copies from Publisher of, this paper, thereby saving duty and trouble of sending to England. Price, Post-paid, \$1.05.

THIS Catalogue will be published in one style only, viz.: pocket size—and the illustrations instead of as hitherto, being at the end of the book, will now be placed at the top of each page, thus saving much time in referring to the types. We have purchased entirely new type to print the catalogue in the cleanest manner, and have made upwards of 6000 new dies to illustrate the varieties of stamps, cards and envelopes. Almost the whole catalogue has been re-written under the able editorship of MAJOR E. B. EVANS, assisted by some twenty of the leading specialists of the day.

Among the chief improvements we may mention that in GREAT BRITAIN we quote the correct market rates for all plate numbers, shades and prominent varieties both in stamps, envelopes, registered envelopes and cards.

The whole of the Australian Colonies have been re-written, the lists having been made from the celebrated "CASTLE" collection (for which we paid £10,000) and the relative rarity of these stamps is far more accurately stated than has before been the case.

The interesting group of the WEST INDIAN ISLANDS has been carefully re-arranged and far more details noted than hitherto.

Owing to the great demand for unused European—especially the old GERMAN STATES—special attention has been paid to this portion of the new catalogue, and as all advanced students of this group of countries well know, the foreign catalogues do not in the least degree quote the *true market* value of these stamps.

In JAPAN all the plate numbers are given and priced, used and unused.

CASHMERE and AFGHANISTAN have been carefully compared and corrected by aid of the collections of the late Mr. Gilbert Harrison, and the rarity of the different varieties carefully estimated.

POST CARD COLLECTORS will find this catalogue of great service, we have some 1200 new illustrations of cards and absolutely the whole of this portion of the catalogue has been re-written and hundreds of minor varieties chronicled and priced for the first time.

ENVELOPES AND REGISTERED ENVELOPES have been carefully listed both in the various sizes and cut square, used and unused.

FINALLY AND MOST IMPORTANT OF ALL we wish our clients to understand that OUR CATALOGUE PRICES are not a copy of those of other catalogues, they are absolutely and entirely based on *our stock, now valued at £90,000*; this and this alone is the correct method of valuation.

The new catalogue will consist of some 600 pages, size 6½x4½ inches and its PRICE 3s. 6d. POST FREE TO ALL PARTS OF THE WORLD.

PREPAID ORDERS can now be booked, and it is well to note that as many thousand prepaid orders will be received, it may take from 7 to 14 days to send those catalogues out before orders NOT prepaid can be attended to, it is therefore necessary for those who desire early copies of the catalogue to send cash with order.
