WALKS ABOUT ZION.

BY REV. JOS. ELLIOT.

172 pages. Cloth, 50 cents; in paper, 30 cents. Mailed to any address, free of postage, on receipt of price.

"Among good books for devotional or practical religious use we may mention with commendation 'Walks about Zion,' a series of brief, interesting and practical addresses on religious topics." - New York Independent.

"Clear in thought, correct in expression, and cogent in argument and appeal." - Halifax Chronicle.

"These addresses are brief, pointed, eminently practical. Mr. Elliott is well known in this community as an accomplished expounder of the Word of God, and with the gift of saying much in little, much meaning, few words. This is the characteristic of these addresses which we most cordially commend to the thoughtful reader. We confess to be reminded by these brief and terse discourses of our dear old favourite, John Foster." - Presbyterian Halifax Witness.
