# The Fall of the Christians:

An Historical Romance of Japan in the 17th Century.

By Prof. W. C. Kitchin, Ph. D.

"The Fall of the Christians" is a history of the desperate struggle of Christianity against Paganism in Japan over two hundred and fifty years ago, as related in ancient manuscripts discovered by the author. There were then several thousands of Christians in Japan, and the attempt to exterminate them led to one of the most sanguinary struggles reported in history. The heroism of the Christians, both men and women, and their fortitude under the most appalling dangers, as portrayed by Professor Kitchin, will enlist the sympathies of the civilized world
