MISCELLANEOUS.

The Deacon: My boy you must not learn to tell lies. Boy: I don't learn.

The art of using moderate abilities to advantage wins praise, and often acquires more reputation than an actual brilliancy.—Rochefoucauld.

Andrew Gaertner, founder of the Mechanical Museum at Dresden, who was born in 1654, is said to be the inventor of the elevator. In 1717, having become infirm, he made a machine which enabled him to go up and down the three stories of his house.

A CURE FOR HEADACHE.—Headache arises from constipation, bad blood, dyspepsia or liver complaint. As B. B. B. cures all these complaints it is naturally the most successful headache cure existing. Once the cause is removed the headache vanishes.

In one of the Comstock mines a new water wheel is to be placed which is to run 1,150 revolutions a minute, and have a speed at its periphery of 10,805 feet per minute. A greater head of water than has ever before been applied to a wheel will be used.

Austria announces an electric locomotive which is to travel 125 miles an hour. The Independence Belge follows with the statement that the North Belgian company are constructing a line for locomotives, operated by electricity, on which the journey from Brussels to Paris, about 192 miles, will be accomplished in 80 minutes, a speed of nearly 150 miles an hour. It is further stated that the trains will be running in about two months.

FROM THE FAR NORTH.—In northern climates people are very subject to colds, but the natural remedy is also produced in the same climate. Dr. Wood's Norway Pine Syrup cures coughs, colds, hoarseness, asthma, bronchitis and all throat and lung troubles. Price 25c. and 50c.

Old Gentleman (to applicant for his daughter's hand): "But have you any visible means of support, young man?" Applicant: "Certainly, sir. I'm dependent on my father, and he weighs twenty stone."

A CURE FOR DYSPEPSIA.—Dyspepsia is a prolific cause of such diseases as bad blood, constipation, headache and liver complaint. Burdock Blood Bitters is guaranteed to cure or relieve dyspepsia if used according to directions. Thousands have tested it with best results.

A remarkable curiosity, showing the durability of Washington cedar, can be seen on the Austin ranch on Lake Whatcom. It is a cedar log two feet in diameter, over which has grown a spruce tree four feet in diameter. Over the main roof of this and directly over the log is another cedar tree three feet in diameter. All the trees, including the log, are perfectly sound. The log has probably lain there several hundred years.—Portland Oregonian.

Fish-hatching in China is sometimes conducted with the aid of a hen. The spawn is collected from the water's edge and placed in an empty eggshell. The egg is then sealed with wax and placed under a setting hen. After some days the egg is carefully broken and the swarm emptied into water well warmed by the sun. There the little fish are nursed until they are strong enough to be turned into a lake or stream.

A VALUABLE HINT.—When you are attacked by cough or cold do not delay but commence at once to use Hagyard's Pectoral Balsam. This old standard remedy removes all irritation, loosens the phlegm, and heals the mucous surfaces, curing coughs and colds of all kinds.

Bachelor Logic: Marriage is a lottery; lotteries are illegal; therefore I simply obey the law by keeping single.

This advertisement appears in a Dublin paper: "Wanted a gentleman to undertake the sale of a patent medicine. The advertiser guarantees that it will be profitable to the undertaker."

FOR SPRAINS AND BRUISES.—No other remedy cures sprains, bruises, cuts, wounds, chilblains, sore throat, rheumatism, etc., so promptly as Hagyard's Yellow Oil. It is an old standard remedy that has given perfect satisfaction for 30 years.

Florida beans, which when highly polished, are used as charms, are, says the Scientific American, the seeds of the Eut-sada scandens, a rank-growing, climbing shrub, common on the shores of the West Indies. The pods are frequently from six to eight feet in length, flat and woody, divided into numerous joints, each containing one of these nuts. When ripe these pods burst with great force, throwing the nuts an almost incredible distance. When thrown into the sea, they are carried by the strong oceanic currents, not only to the Florida Coast, but occasionally to the coast of Finland.

Many a Young Man.

When from overwork, possibly assisted by an inherited weakness, the health fails and rest or medical treatment must be resorted to, then no medicine can be employed with the same beneficial results as Scott's Emulsion.

Burdock BLOOD BITTERS CURES CONSTIPATION. Constipation or Costiveness is an annoying and dangerous complaint caused by irregularity of the bowels, which produces disastrous results to health, causing biliousness, bad blood, dyspepsia, etc. B.B.B. acts perfectly to cure constipation and remove its effects. If you have never tried it, do so now. IT NEVER FAILS. "Was very bad with Costiveness, and one bottle of Burdock Blood Bitters cured me. Would not be without it." Mrs. Wm. Finley, Jr., Bobcaygeon.
