## BETWEEN LIFE AND DEATH.

THE NARROW ESCAPE OF A WELL-KNOWN NEWBURGH MAN.

By the Loss of a Finger, Mr. Chas. Moore, of that Village, Nears Death's Door, but is Rescued after Doctors Have Failed.

From the Napanee Beaver.

In the pleasant little village of Newburgh, on the Bay of Quinte Railway, seven miles from Napanee, lives Mr. C. H. Moore and family. They are favourably known throughout the entire section, having been residents of Newburgh for years. Recently Mr. Moore has undergone a terrible sickness, and his restoration to health was the talk of the village, and many even in Napanee and vicinity heard of it, and the result was that *The Beaver* reporter was detailed to make an investigation into the matter. Mr. Moore is a carriage-maker and while working in Finkle's factory last winter met with an accident that caused him the loss of the forefinger of his right hand. It was following this accident that his sickness began. He lost flesh, was pale, suffered from dizziness to the extent that sometimes he could scarcely avoid falling. He consulted physicians and tried numerous medicines, but without any benefit. He was constantly growing worse and the physician seemed puzzled, and none of his friends thought he would recover. One day a neighbour urged Mrs. Moore to persuade her husband to give Dr. Williams' Pink Pills a trial, and after much persuasion he consented. After a few days he began to feel better, and it no longer needed persuasion to induce him to continue the treatment. A marvellous change soon came over him. Each day he seemed to gather new strength and new life, and, after eight boxes had been taken, he found himself again a well man. Mr. Moore is now about sixty-five years of age, he has been healthy and has worked hard all his life until the sickness alluded to, and now, thanks to Dr. Williams' Pink Pills, he is once more able to work in his old accustomed way, and does not hesitate to give the credit to the medicine that restored him to health, at a cost no greater than a couple of visits to the doctor.

Time and again it has been proven that Dr. Williams' Pink Pills cure when physicians and other medicines fail. No other medicine has such a wonderful record and no other medicine gives such undoubted proofs of the genuineness of every cure published, and this accounts for the fact that go where you will you will hear nothing but words of praise for Dr. Williams' Pink Pills. This great reputation also accounts for the fact that unscrupulous dealers here and there try to impose a bulk pill upon their customers with the claim that it "is just as good," while a host of imitators are putting up pills in packages somewhat similar in style in the hope that they will reap the reward earned by the merit of the genuine Pink Pills. No matter what any dealer says, no pill is genuine unless it bears the full trade mark, "Dr. Williams' Pink Pills for Pale People," on the wrapper around every box. Always refuse substitutes which are worthless and may be dangerous.
