

**MONTREAL MINING EXCHANGE.**

**MARKET STRONG—GOLDEN STAR, SLOAN-SOVEREIGN AND VIRTUE STILL—BIG THREE OFFERED FREELY.**

Montreal, Aug. 28.

The floating stock for sale has been very much reduced of late, and the prospects for a set-back is becoming less likely, as prices have steadied at the advance, most stock that was offered being taken without any decline coming about. In those issues which have lately risen we expect prices to remain much the same for some time to come, and this, added to the fact that several of the most prominent members of the board will be absent for the best part of September, on the mining expedition, leads us to expect a quiet September month, instead of an active one, as looked for some weeks back.

Good news has now a very perceptible effect on prices, whereas some weeks ago it was only sneered at. A very favorable report is heard on Sloan-Sovereign. It has quickly responded to the good news, selling at 41, and at one time more was bid. Another instance of the readiness to discount favorable news is noticed in Rambler-Cariboo, which rose in a few boards from 32 to 42 1-2, none being offered at the close to-day under 44.

It is said that Golden Star has struck the old vein once more. On the rumor the stock advanced to 45.

Virtue was again strong, and the bulls are in control. It sold up to 48, but there were but few shares for sale.

Montreal-London was strong and Gold Fields was steady.

The balance of the trading was light, except in Big Three, of which 12,000 shares sold at 12 1-2 and 12.
