

CHICAGO MARKET.

SPRING WHEAT THE SPECIALTY AT CHICAGO — MARKET OPENS AND CLOSES FIRM, WEAKENING ABOUT NOON — WHEAT $\frac{1}{2}$ HIGHER AT LIV- ERPOOL.

Chicago, Sept. 28.

This was the third morning that the mar- ket opened firm and showed several of the signs that marked the two previous days so that the movements today will probably recede till noon, but advance towards clos- ing. East of the Rockies the wheat stock as given by Bradstreet makes a total just three times as great as there was last year. A strong bearish argument, no doubt, but it is offset by a large grain dealer's statement that the threshing returns of this year's crop are very poor. In Louisville district farmers threshing are deceived, ordering say 2000 empty bags, but out of the threshing requiring only 1200. A difference between spring and winter wheat has become marked and since spring wheat is in more demand abroad, Chicago has become a spring wheat market. It is stronger than other North- western markets, while New York, as hav- ing a large stock of winter wheat, is lag- ging behind other markets.

Liverpool — Wheat $\frac{1}{2}$ higher; corn $\frac{1}{2}$ low- er, both firm with better demand.

Chicago — Car lots wheat 125; shipments, 73,350; corn, 1139; shipments, 350,200, oats, 284, shipments, 1657.

Primary receipts — Last week, 1,245,691; shipments, 801,695; last year, 1,656,299; shipments, 895,878.

Four ports, 536,055; shipments, 894,110. Northwest cars — Minn., 562; Dul., 414; against 884 last week.

Hogs today received, 24,000; estimated to- morrow, 21,000.

Of the 125 cars of wheat at Chicago this morning all are new. There were 298 of new last year. The private elevators con- tribute today 127 cars of No. 1 Norton and 4200 bushels of No. 1 to the stock of cont. wheat. Boston, N. Y., Philadelphia and New Orleans clear over 400,000 wheat alone
