Thirty Years' Experience as Consulting Engineers

Toronto, October 17th, 1904.
THE BOILER INSPECTION & INSURANCE CO.
OF CANADA,
Canada Life Building,

Gentlemen:— Toronto, Ont.
We have much pleasure in signifying our very high appreciation of the valuable engineering services rendered to us by you during the period our boilers have been insured.
We consider that any of your Policyholders who choose to take advantage of services that are practically free to them, will receive far more than full value for the premiums paid by them.
Personally we cannot speak too highly of the advantages we have derived from your advice on several occasions, advice which has been the means of saving us considerable money.

Yours truly,
THE ONTARIO LUMBER CO., LIMITED.
H. H. Cook, President.
