

COMBINED MINUTES

PROCEEDINGS OF THE

Toronto, London, Hamilton, Bay of
Quinte, Montreal, Manitoba and
Northwest, and the British
Columbia Conferences

OF

THE METHODIST CHURCH

(Abridged for Publication.)

Price, 50 cents, postpaid.

The book of Combined Minutes of the seven Western Conferences is now ready, and is being sent out to the ministers as rapidly as possible. The volume, after the severest condensation the Conference Secretaries were able to give it, still exceeds very considerably the number of pages originally estimated upon. It makes in all 416 pages. For this reason, and also because the tabular matter (the most expensive in composition) exceeds largely the space calculated upon, we have not been able to keep the cost down to the figure we hoped it could be sold at. Still, at 50 cents, the combined book, owing to the large edition, is supplied at a smaller price than were most of the single Conference Minutes of last year. It is really a marvel of cheapness at the price.

We confidently look to the brethren to secure us as many orders as they can from their circuits. In order to get the price down to 50 cents we had to issue a very large edition—3,000 copies—and if these are not all sold there will be direct loss to us.

The book will be found both interesting and valuable, and should be prized by every official member. Let us have your orders.

Copies of the Minutes are being sent to the Ministers of the Montreal Conference by MR. C. W. COATES, of Montreal, to whom all orders from that Conference should be sent.
