## MEDICO-CHIRURGICAL SOCIETY.

8th February, 1845.

DR. CRAWFORD IN THE CHAIR.

The very interesting case of Ramollissement of the Brain, communicated by Dr. C. will be found in another part of this Journal.

The following resolutions were submitted by Dr. Badgley for the adoption of the Society, and are to be taken into consideration on Saturday the 8th March next.

I, *Resolved*, That with a view to carry out the objects originally contemplated in establishing this Society, and that the Members of the profession generally, scattered through this extensive Province, may feel that there exists a centre round which they can rally, it be proposed to the Toronto Medico-Chirurgical and the Quebec Medical Societies, that a General Association be at once formed, under the name of the "The Medical Association of Canada;" and that the mem-
