THEN AND NOW

Thorley's Improved Horse & Cattle Food. Was first introduced into this country some four years ago. At that time merchants would scarcely give it store-room. Officers of agricultural societies would only admit it grudgingly within their grounds, while farmers feared to feed it even as a gift. Now, some merchants order by the TON. Officers of agricultural societies solicit our favors while the most distinguished breeders and feeders in the Dominion use it freely in fitting their animals in competition for the highest prizes, a necessary result, we believe, of doing an honest business with an honest preparation. For sale by dealers everywhere. Manufacturing 48 John St. South, Hamilton, Ont.

Ayer's Hair Vigor, FOR RESTORING GRAY HAIR TO ITS NATURAL VITALITY AND COLOR. It is a most agreeable dressing, which is at once harmless and effectual, for preserving the hair. It restores, with the gloss and freshness of youth, faded or gray, light, and red hair, to a rich brown, or deep black, as may be desired. By its use thin hair is thickened, and baldness often though not always cured. It checks falling of the hair immediately, and causes a new growth in all cases where the glands are not decayed while to brashy, weak, or otherwise diseased hair, it imparts vitality and strength, and renders it pliable. The Vigor cleanses the scalp, cures and prevents the formation of dandruff and, by its cooling, stimulating, and soothing properties, it heals most if not all of the humors and diseases peculiar to the scalp, keeping it cool, clean, and soft, under which conditions diseases of the scalp and hair are impossible. As a Dressing for Ladies' Hair The Vigor is incomparable. It is colorless, contains neither oil nor dye, and will not soil white cambric. It imparts an agreeable and lasting perfume, and as an article for the toilet it is economical and unsurpassed in its excellence. PREPARED BY DR. J. C. AYER & CO., Practical and Analytical Chemists, Lowell, Mass. SOLD BY ALL DRUGGISTS EVERYWHERE.
