NELSON'S ENCYCLOPEDIA

(By special arrangement the Canadian Edition is called The Harmsworth)

Complete in 10 Massive Volumes 50,000 Articles 7,000 Illustrations
Nearly half a million sets sold to date

This great work is without an equal for price coupled with merit. It is the latest reference work on the market, compiled by some of the most eminent scholars in Great Britain.

The Daily Mail says:—"The Nelson Encyclopedia is without doubt the most meritorious reference work of its kind, having respect to its condensation of immaterial subjects, and its judicious presentation of practical information."

The price will be a marvel to you. You have the privilege of seeing the books before deciding to purchase. Send in the coupon for the Free Booklet and full particulars.
