Commercial Summary.

ADVICES from St. Polycarpe, P. Q., state that
an immense crop of peas, oats and barley have
been secured in good condition, and that the
yield will exceed that of 1881 in both quantity
and quality.

ISRAEL LEMAY, hotelkeeper, Valleyfield, has
assigned, with liabilities of \$3,000. He is trying
to effect a settlement of 25c on the dollar.—W.
D. Bentley, commission agent, Halifax, N.S., is
said to have skipped out leaving a number of
creditors in the lurch.

The visible supply of cotton on Aug. 29th
was 1,549,508 bales, against 1,732,705 bales as
compared with the same date last year, showing
a decrease of 183,197 bales, but, as compared
with the corresponding date, the year previous,
there is an increase of 212,584 bales.

The season for our favorite Lower Ports
oysters opened on September 1st, and already
sales of several lots have been made to arrive
at \$2 per bbl. Shipments are on the way from
Summerside, P.E.I., and one lot has just come
to hand.

The cotton exports from Alexandria, Egypt,
during the season 1883-84 are given as fol-
lows: To Liverpool, 236,789 bales; to Mar-
seilles, 12,886 bales; to Dunkirk, 14,693 bales;
to Rouen, 756 bales; to Spain, 12,512 bales; to
Italy, 27,086 bales; to Austria, 29,374 bales; to
Russia, 31,399 bales. Total, 365,495 bales.

The Ontario Cabinet Co., of Toronto, has
assigned, the liabilities being placed at \$20,000
and the assets at \$25,000. The firm only com-
menced business about 13 months ago, having
bought out the Electric and Hardware Manu-
facturing Co.'s works. Being unable to meet
the first payment of \$3,000, a writ was issued
against the company, which led to the assign-
ment.
