This School will re-open January 12. The course of Instruction is the same as that of the best Schools in England, and is founded upon the University Examinations for Women. Pupils are prepared to pass the Local Examinations of King's College, Windsor. Within the last two years, thirteen pupils have passed these Examinations, three of them gaining the title of "Associate of Arts."

A few students can be received, who, having finished their general education, wish to devo's themselves to Munic, Languages, or Art. Arrangements are made whereby they can give the whole of their time to these special subjects.

There is a Preparatory Department for Young Pupils The Musical Department is under the care of a lady from the Royal Academy of Music, London. The French Governess is a native of Paris and has the Diyloma of the French Academy. The Head English Governess, besides having passed the University of Cambridge Examinations for Women, has also a certificate from the South Kensington School of Art.

A large reduction is made for the daughters of clerygnen, and where two or more are sent at the same time from one family.

TO HOLMAN PAD CO.
115 Hollis St., Halifax.

CENTLENEY, I suffered for many years from an interpreted in gestion an evil which rendered me anything but an agreeable companion. At those during an especially hid attack the total in the region of the heart would be terrific, causing me to become insensible in a mon cnt. I tried u any remedies, but without any permanent benefit; my last estate would be invariably worse than the first, antil I concluded to try one of the Holman Liver Pads. During the first, wo weeks of wearing it, I thought it was like the many other remotions I had trier, unable to reach my case, but then I gradually began to grow better, a fact I reaked in being at to lie upon my left side for quite a long time without inconvenience. I emined wearing the Pad and wore to only in day time for two months longer; at accord which time I ceased to be troubled with indigestion altogether, and spams at region of heat are but of very rare occurrence, and these I have no doubt, will ultimately cease. Perhaps a little further information from you on this point would have until desirable end. Without tooking you with further details of my complaint and sufferings. I have only to said that I san confidently recommend to Holman Liv. Pad and Remedles from personal experience of the breefits derived from their urfar And I consider that I sanne overstate their value to those similarly affished as I have been.

Yours faithfully,
