The Germania Life Insurance Company

OF NEW YORK

ESTABLISHED 1860

ASSETS, \$18,000,000.00

At this day, when nearly every business and professional man invests a share of his income in Life Insurance, it is of FIRST IMPORTANCE to select a Company which, BY ITS PAST RECORD, GUARANTEES PERFECT SECURITY.

The conservative methods which THE GERMANIA has constantly pursued, have won it the confidence of its policy-holders, and have resulted in largely increased patronage of the insuring public; its policies are plain and simple, and cannot be misconstrued; every obligation is promptly met, and losses paid IMMEDIATELY.

Policies issued on all approved plans.

Cash loans made on all policies after they have been in force three or more years.

GEORGE W. RÖNNE, Manager for Canada
