The Wise Man Knows

That he must spend money in or-
der to make money. He also
knows that he must spend it
judiciously.

During Hard Times

The merchant who makes money
is the one who advertises. The
advertisement is at work for him
while he sleeps and brings him
business from places where he
would never go.

To Make Money,

He selects the best medium for
his advertisement; the one that
reaches well-to-do people who
are likely to become his custom-
ers. He also selects a medium
where his advertisement will be
seen.

Experience Proves

That the newspaper is the best
advertising medium, and that
among papers the weekly is the
most profitable. If you would be
prosperous, carefully ponder these
facts.
