Warmth and Strength

on a cold day come from foods that are easily digested and are rich in heat-making elements. For the out-door man or the in-door man, for children to study on, to grow on, to play on, there's nothing so nourishing and satisfying as

SHREDDED WHEAT

It is better than porridges for children because they have to chew it. The crispness of the shreds induces thorough mastication, which develops sound teeth. It is the best "whole wheat bread" because it contains all the rich body-building material in the whole wheat. Delicious and nourishing when served with hot milk or canned fruits.
