## OUR "BALL BEARING" SCHOOL DESKS

Stand to-day Above Criticism—The Standard of the World.

They were the *only* desks selected by the Government for the Canadian Educational Exhibit at the Paris Exhibition. We have for the seventh time been awarded the contract for desks for the TORONTO PUBLIC SCHOOLS, amounting this year to \$11,000.

During the last two years we sold over 28,000 of these desks, supplying in Canada about three fourths of all the desks required during that time.

These are noiseless desks, whose beauty and honesty of construction place them at once above criticism, and make them the desk *above all desks*. They have imitators, true, but no equals.

Awarded the Silver Medal, the highest award given on School Desks at the Paris Exposition.

Write to-day. Send for Circulars.
