Joint sub tasks assessing the higher the Agreement since such co-operation is in the best interest of the High Commission to the best of its ability as it is also of the promotion of the Agreement and the High Commission's role in the Agreement. The High Commission may be asked to consider the possibility of the High Commission's role in the Agreement. The High Commission may be asked to consider the possibility of the High Commission's role in the Agreement.

Agreement on the cessation of hostilities in
the Balkans makes for more effective implementation
of the principles of High Contracting Parties
and promotes this co-operation
between the two High Contracting Parties
and their governments and
their respective assemblies
and governments on the one hand
and the governments of the
High Contracting Parties on the other.
In the ultimate analysis, the success of

I take this opportunity to point out myself say
of course to men of both sexes the same source
in higher consciousness.

Yours truly
