

other than the person that made the request or a government institution.

(2) financial, commercial, scientific or technical information that is confidential information supplied to any department or government agency by a third party and is treated consistently in a confidential manner by the third party,

(3) information the disclosure of which could reasonably be expected to result in material financial loss or gain to, or could reasonably be expected to prejudice the competitive position of a third party, or

(4) information the disclosure of which could reasonably be expected to interfere with contractual or other negotiations of a third party.

b. Any record that contains information described in Section 20(1) of the Act MAY BE DISCLOSED WITH THE CONSENT of the third party to whom the information relates.

11. Section 20(2)
Product or Environmental Testing

11. The head of a government institution SHALL NOT, pursuant to Section 20(1), refuse to disclose a part of a record if that part contains the results of product or environmental testing carried out by or on behalf of a government institution unless the testing was done as a service to a person, a group of persons or an organization other than a government institution and for a fee.

12. Section 21
Advice

12. Disclosure MAY BE REFUSED if the record requested contains information described hereunder
