

PART III
PROVISIONS CONCERNING BENEFITS

CHAPTER 1

Benefits Payable by Canada

ARTICLE VII

1. If a person is not entitled to a benefit on the basis of the periods creditable under the legislation of Canada, eligibility for that benefit shall be determined by totalizing these periods and those stipulated in paragraph 2 of this Article, provided that the periods do not overlap.

2. (a) For purposes of determining eligibility for a benefit payable under the Old Age Security Act, a period of residence in the territory of Sweden, after the age at which periods of residence in Canada are creditable for purposes of that Act, shall be accepted as a period of residence in the territory of Canada.

(b) For purposes of determining eligibility for a benefit payable under the Canada Pension Plan, a year which is creditable for purposes of a supplementary pension under the legislation of Sweden shall be accepted as a year for which contributions have been made under the Canada Pension Plan.

ARTICLE VIII

Benefits Payable Under the Old Age Security Act

1. (a) If a person is entitled to payment of a pension in Canada under the Old Age Security Act without recourse to the provisions of this Agreement, but has not accumulated sufficient periods of residence in Canada to qualify for payment of the pension abroad under that Act, a partial pension shall be payable to him outside the territory of Canada if the periods of residence in the territories of the two States, when totalized as provided in Article VII, are at least equal to the minimum period of residence in Canada required by the Old Age Security Act for payment of a pension abroad.

(b) The amount of the pension payable shall, in this case, be calculated in conformity with the provisions of the Old Age Security Act governing the payment of a partial pension, exclusively on the basis of the periods creditable under that legislation.

2. (a) If a person is not entitled to an Old Age Security pension or a spouse's allowance solely on the basis of periods of residence in Canada, a partial pension or a spouse's allowance shall be payable to him if the periods of residence in the territories of the two States, when totalized as provided in Article VII, are at least equal to the minimum period of residence in Canada required by the Old Age Security Act for payment of a pension or a spouse's allowance.
